## STRATEGIES FOR RESILIENCE

It's important to put some strategies into place so that you have a plan to follow when faced with challenges.

**My self-esteem is high when:**

---

---

---

**When I have made a mistake I will**

---

---

---

**It would take courage for me to**

---

---

---

**The one thing that I love doing is**

---

---

---

**If I was at my work place with nothing to do, I could**

---

---

---

**If I was unsure of the tasks and jobs involved in a work place I should**

---

---

---

Professional communication requires honesty and being reliable. It's about fronting up with what's expected. Keeping the lines of communication open shows maturity and respect to yourself and others.

**I can effectively communicate with my teachers and employers by**
