

In term two we are thrilled to be able to offer Westmere School student's our awesome performance classes at Westmere Primary every Friday.

That means there will be **Hip Hop and Drama** classes available throughout the year, leading to a big showcase experience in November.

Can't get the kids away from a screen? We can help. The Pform.nz's weekly classes focus on having fun because we all know that we learn quicker when we're enjoying ourselves. The emphasis of our curriculum is to empower young people with skills that will be of value throughout their lives.

Check out our website for more detail about our classes
