**Crash bang smack ahh  
noo New Zealand is  
separated. People  
prayed for New  
Zealand to go back  
together. Everyone  
visited New Zealand it  
wasn't so secret  
anymore.**

***The people from the North Island were mad. They wanted a war because they wanted the whole country. Then, the war began.***

***Many days passed. People cried,  
people died. The South Island  
wanted to leave the country but  
stayed strong.***

***The South Island was  
going to give up  
until... They stayed  
strong and pushed  
until the North Island  
gave up.***

***Months passed. The war started in March and it is now December. The South Island was going to give up until...***

***The war got crazier as the days passed. Life wasn't fun anymore. Another month passed. Something crazy had happened.***

***The North Island gave up.  
The South Island and the  
North Island made a  
promise that they would
