

PRACTICE EXAM RULES 2022

Exam materials

You are responsible for taking the correct equipment to the exam and making sure that it is working.

Bring your own equipment into the exam room in a clear plastic bag. You can take:

- pens (permissible colours are black and blue), pencils and an eraser
- an approved calculator for subjects where you have used a calculator during the year.

Calculators must be silent, hand-held, non-printing and work from their own power. You cannot keep notes or routines in the calculator memory. Teachers will clear the calculator memory before you enter an exam room.

You can confirm what is allowed in a specific exam by reading the relevant assessment specification. To find this, see the NZQA website or discuss with your subject teacher.

- blank paper or refill paper
