

Elements provides a truly authentic outdoor experience for children. Elements is no ordinary programme as we consider how the environment helps the developing child learn & grow. Active movement, creative play & fun! Explore in the bush, creek, climb trees, group games in open spaces, plenty of opportunity for imagination. Or challenge your construction skills by making huts & more with Elements resources. These spring holidays Elements are offering a range of programmes on a Cashmere farm:

- Natures Elements
- Farm n Fire
- Fantasy Creatures
