Prescriptions

To avoid running out of your medications, please make sure you check when they are next due and allow at least **two weeks** prior to that date, so that you have enough time to arrange an appointment to see the doctor and avoid disappointment.

When the surgery is very busy it may not be possible to get an appointment at short notice, and if an urgent prescription is required, a short prescription of **one week** may be given in lieu of an appointment with the doctor, these will incur an additional fee.

All patients must be seen by the doctor every three months for repeat medication, unless otherwise indicated and documented by the doctor.

Thank You, Amuri Health.

Appointment Wait Times

At times we may only have one GP or PN available, which may mean a longer wait to get an appointment.

If you are booking a **routine visit** or a **non-urgent** appointment, please allow additional time frames to avoid disappointment.

An appointment on the day or within the next couple of days may not be possible.

Thank you, Amuri Health.

CAN YOU SPARE A LITTLE TIME & EXPERTISE TO HELP CREATE REPLACEMENT FAIRY DOORS?

Over time some of the fairy doors have been damaged, so we need assistance to replace these. Our local tamariki would love to have their fairy doors back for when they go exploring!

The Community Response Committee will assist with supply of wood and paint required. All we need is some volunteers with the right skills and imagination to help build and/or paint them.

If you are able to help in any way please send us an email or message via our Facebook page.
