Our Ambulances for the months of March and April travelled 17,575 kms with 101 Patients, 330 volunteer hours and 29 jobs out of our area.

We would like to thank you for the ongoing support and donations from the community, local sporting and social groups.

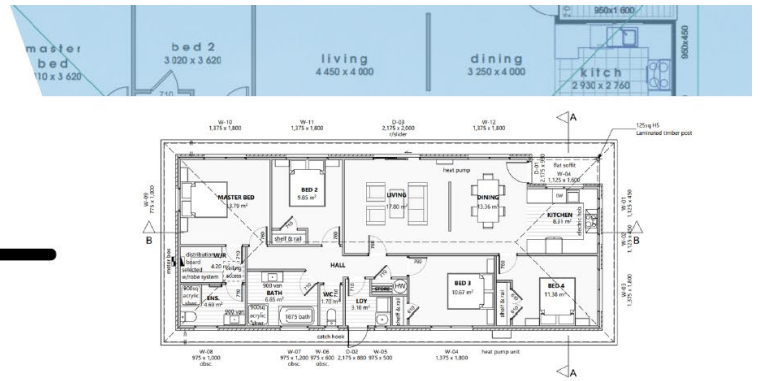

Emergency services and local posties are working to improve our rural community rapid numbers so we can respond to your calls quickly. This is a good time to also have a look at the access to your property and cut back bushes or trees so we can get closer to your home.

If you have time to volunteer with our friendly team, please contact Ann Cleaver on 0273272457

Our hard working Area Committee.

Stay safe and warm out there.

Presents an exciting opportunity that could provide your family with their first home ownership in Waiau from as little as \$10,000 deposit and repayments @ \$250 per week (minimum and subject to change, and criteria applies). The Hurunui Community Development Trust is interested to hear from you about how we can make your property ownership dreams a reality through a shared equity scheme.

- Our Shared Ownership Programme provides an opportunity for you and HCDT to share the ownership of a property. You would buy a majority share of the property (usually 60% or more) making it more affordable for you than if you were to buy 100%.
- HCDT would retain ownership of the remaining share of the property (e.g. 40%) and both you and HCDT would be recorded on the property title as owners until you are able to buy us out. Most households are able to do this within 7-10 years. You will need a deposit (your savings plus KiwiSaver) and a mortgage for the balance of the purchase price to buy your share. This will all be explained to you in detail before you are asked to sign a Shared Ownership Agreement. Look at this example where you buy 60% and HCDT retains the remaining 40%.

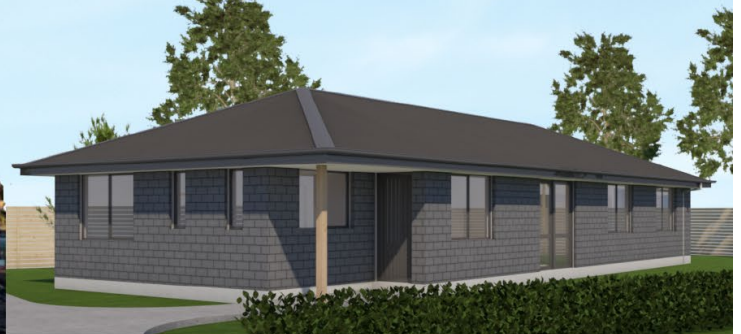

Example figures for ownership of a 60% share in a property priced at \$350,000.

Property's market value (for example only) \$350,000. Household buys 60% of the property with their deposit and bank mortgage \$210,000, Hurunui Community Development Trust share is the remaining 40% of the property \$140,000.

The Trust have commenced the first of potentially ten family homes, which is scheduled for completion this coming spring. This home is four-bedroom, two bathroom on a 988m² section in the heart of the Waiau township with close proximity to the recently built Playcentre, community pool and across the road from Waiau School.

Please explore what Waiau has to offer through our website **Welcome to Waiau** and **Hurunui Community Development Trust** Facebook page.

We look forward to this journey with you.
