

School Donations and Activity Fee Reminder

Donation costs *\$300.00 per child up to 2 children or \$75.00 per term per child,
\$220.00 per child for the third and subsequent children or \$55.00 per term for the and subsequent children,*

Our generous parent donations allow us to resource the schools learning resources above the baseline of Ministry of Education funding. Our whole school community highly values the diverse learning opportunities and activities we can offer out students, and much of this would not be possible without your donations.

You will also see a change to our activity fee. Rather than asking parents for different contributions to class trips, sports events, choir buses and in school visits, such as Life Education, these will all now be covered by a single activity fee.

These activities add to our rich curriculum, supporting students' learning and engaging them in concepts we are exploring. In 2019 these activities included things such as the Marae visit, Kowhai's hāngi, Life Education lessons, trips to the Corbans Art estate, gymnastics competitions, Ambury farm visit, choir trips and the Auckland Philharmonia performance.

As educators we really value the opportunities beyond the classroom that these activities provide, and we especially value the fact that we can only offer them to all our students thanks to the generous support of our parent community.

The school donation and activity fee can be paid in one payment or broken up and paid termly – it will be split evenly across the terms regardless of when the trips and activities occur.

Thank you for your support in providing the best opportunities for your child/ren.

Three Kings School Board of Trustees

Child's Name: _____ Room: _____
