Prescriptions

In the run up to Christmas, check when your medications will be next due and organise your appointment with the GP in plenty of time.

If your medication/s will run out over the holiday period, you may not be able to get the prescriptions sorted for when they are needed. The pharmacy will have reduced delivery around Christmas and the New Year, and the Health Centre will be closed for the public holiday days. Allow for this to avoid disappointment. We will not be able to sort last minute requests.

Underfunded Services

A lack of funding, workforce shortages and increasing workloads are placing essential family doctor services at risk. Pop into the Health Centre to sign a petition card or go to the online petition at www.saveyourfamilydoctorservice.nz to send a message to the government in support of better funding for General Practice.
