Safety for the students in our care is of paramount concern to us at all times. We expect girls to behave within the law regarding their licence and the carriage of passengers, and request parents/guardians to support and enforce this also.

### **Expectations of Students**

- I agree to act in a responsible manner at all times with regards to vehicle use.
- I will not allow other students to drive my vehicle.
- As a fully licensed driver, I will not take passengers in my vehicle without first checking with boarding staff that they have permission to travel with me.
- If someone else has parked in my allocated park, I will park in the roundabout until further notice and/or until the car owner is located and has vacated my carpark.
- My vehicle is insured and I am aware that the school takes no responsibility for any damage that may occur to my vehicle while parked in the school grounds.
- I agree to keep the Director of Boarding informed of any changes to the above details.
- I am aware that if my car is not identified with the school ID sticker, and/or it is parked outside the designated areas, I risk losing the privilege of having a car at school.
- I agree to keep myself up to date and comply with any changes to school rules/expectations regarding students and their cars at school.
- I understand that if found in breach of school rules/expectations and/or the law, I may face vehicle use restrictions, loss of privilege and/or a boarding stand down.
- **I will only use my vehicle when I have been given permission from my House Parent or the Director of Boarding to do so.**

### Applicable to Drivers on a Restricted Licence

As a restricted licence driver I understand it is illegal to transport passengers while on a restricted licence and will not do so.

**Acknowledgement of Responsibility:**

My/Our daughter, \_\_\_\_\_ and I/we as parents/caregivers, have read and understand the expectations around the use of a vehicle as a boarding student at Waikato Diocesan School for Girls and fully support these. We understand that a student caught in breach of school rules/expectations and/or the law may face vehicle use restrictions, loss of vehicle privilege and/or a boarding stand down. We will monitor what our daughter uses her vehicle for and understand that the school takes no responsibility should the student breach these rules.
