

IIHF / NZIHF Level 3 Coaching Course

New Zealand Ice Hockey Federation

The IIHF/NZIHF Level 3 Coaching Course has been offered by the NZIHF since 2015.

The course is constructed into three phases, which can be taken in any order:

- Clinical Assessment (was offered in 2015)
- Practical Assessment (2016)
- Theoretical Assessment (2017)

Completion of Level 3 is dependent on passing each phase within a year of taking the course.

Enrolment requirements:

- Must have a valid Level 2 certificate (attained in the past 2 years).
- Must be the Head Coach of a National League team for a full year, or half and year and doing junior coaching for the remainder.
- National League includes NZIHL, NZMIHL, NZWIHL and/or NZJIHL.
- Must commit to the full year course.
- Must be prepared to submit training plans and team plans, for the full year.

To enroll, applicants must submit the registration form with their ice hockey curriculum vitae. Their plans and qualifications will then be assessed by the NZIHF to gain entry into the programme.

The course is being administered and taught by Andreas Kaiser and Jonathan Albright.
