

Helpful Team Umpire Reminders

- Listen to the buzzer (you start and end on the buzzer)
 - Have you got a whistle?
 - Remember to check nails
 - Remind reps from each team to oversee the Official Scorecard
-
- Blow your whistle confidently
 - Apply your rule knowledge (also see the DN Game Rules)
 - Jog around the court (be just ahead of play) so you can see play at the best angle
 - Be aware of what is happening with the ball carrier, and off the ball
-
- Dual Control (always umpire to your right, see diagram)
Be just ahead of the ball carrier, go to the baseline when it's going onto the circle edge/into the circle
