"My son has been learning at MEC since he was seven, he's now nearly 15. My daughter has been learning since she was 8 years old. I didn't realise when we started just how much they would gain..."

– Kim & Rus

Music is a passion which can last a lifetime. With MEC we can open new realms of possibility for your child.

Begin your child's musical development in term one.

Lesson fees are invoiced at the beginning of each term – fees must be paid before lessons can start. Fees which remain unpaid one month after invoicing will incur a late-payment penalty of \$15 per month.

For all new students there is a one-off \$69.90 fee, payable when the child is enrolled.

"Music lessons have transformed our son... The experience has been so positive that his little sister is now learning and receiving all the same benefits."

– Rien & Andrew
