LOUIE

and the naughty teddy bear

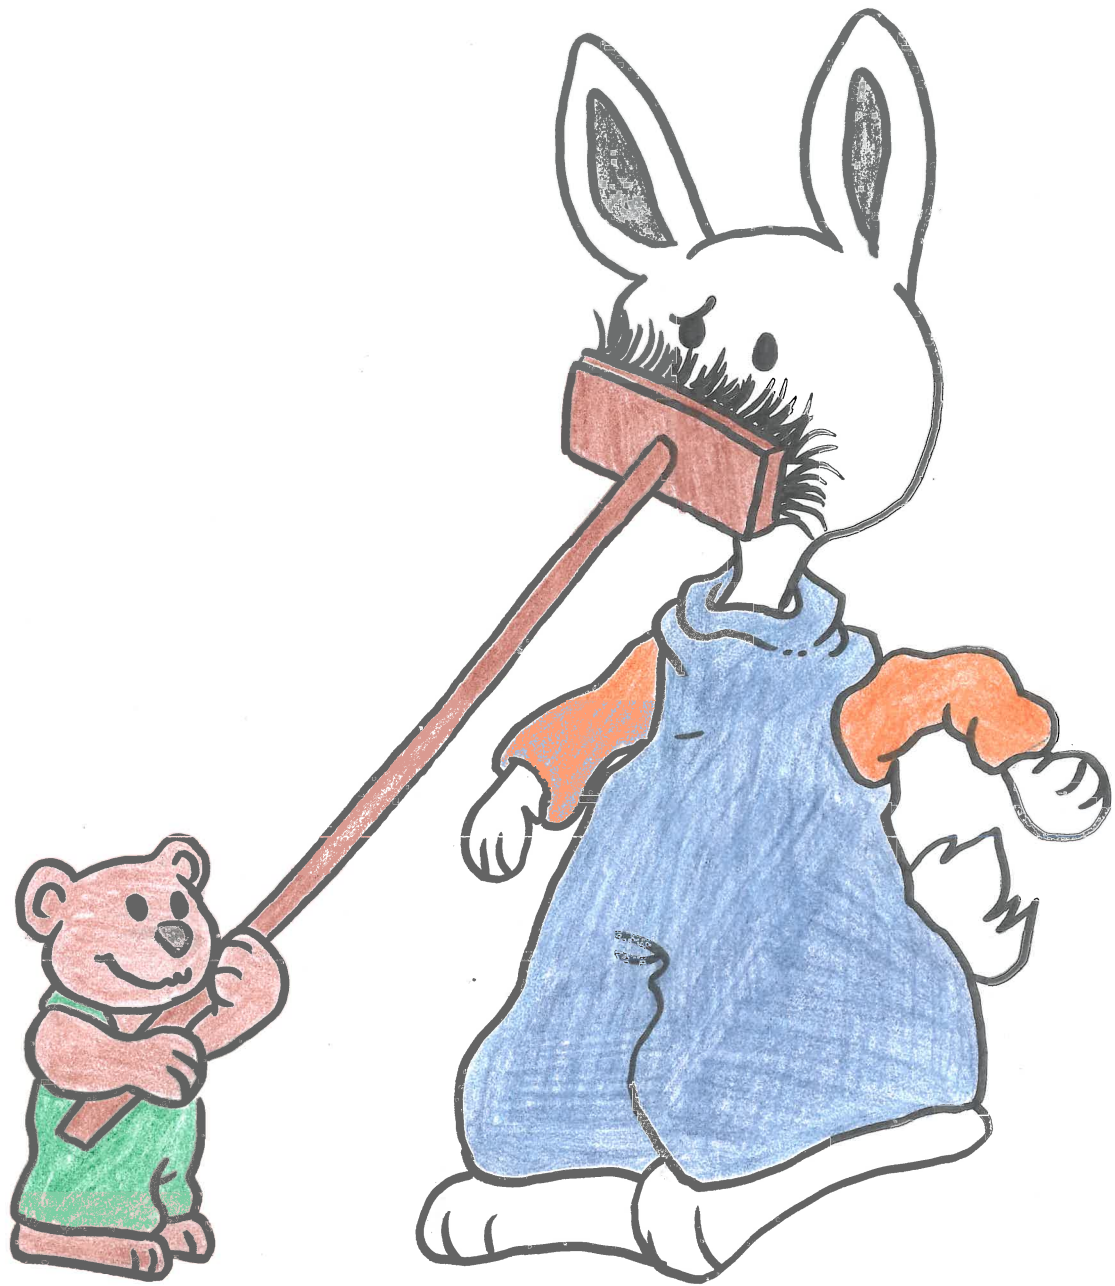

This is Louie. He is 10 years old. Louie has a teddy bear. He's name is Teddy.

Louie is very fond of his teddy bear, even though he can be very naughty and pulls a lot of pranks

Today, you get to hear some of the pranks that Teddy pulls

"Ti hi hi", Teddy is tickling me
with a big broom. "Hihi, hoho, haha"

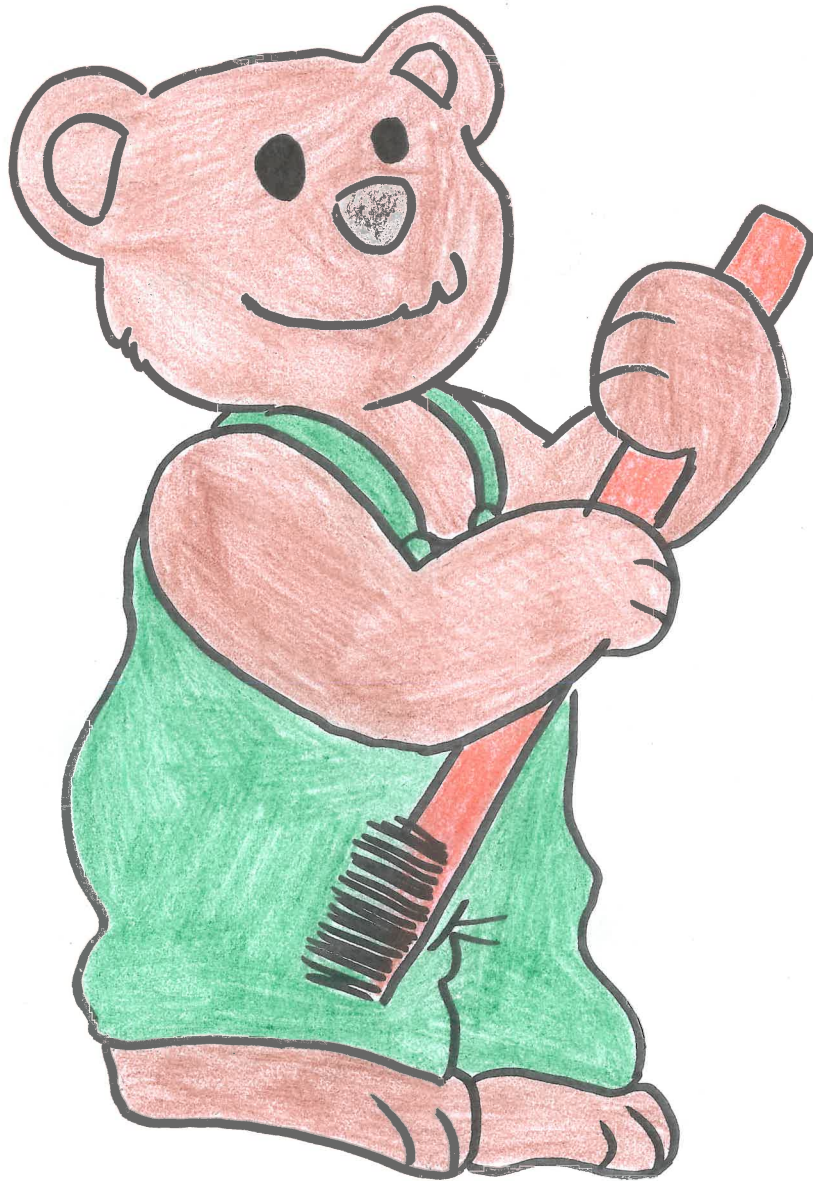

"Oh no!", Teddy has eaten all
of my cookies

"What in the world?" Teddy has filled my shoe with water, and he is using it as a bath tub

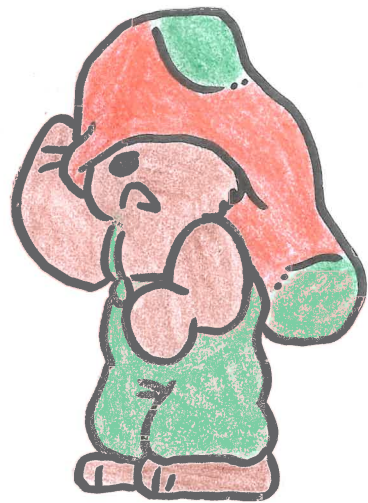

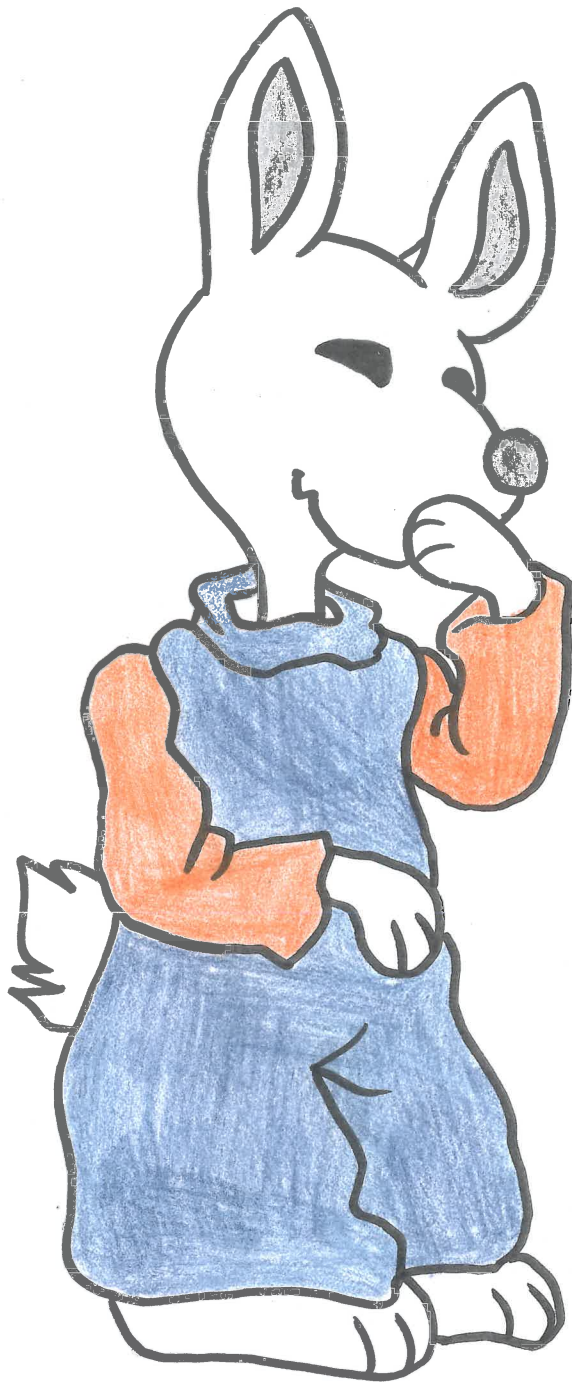

"Oh my gosh", Teddy has stolen one of my mittens, and he is using it to jump around like a kangaroo

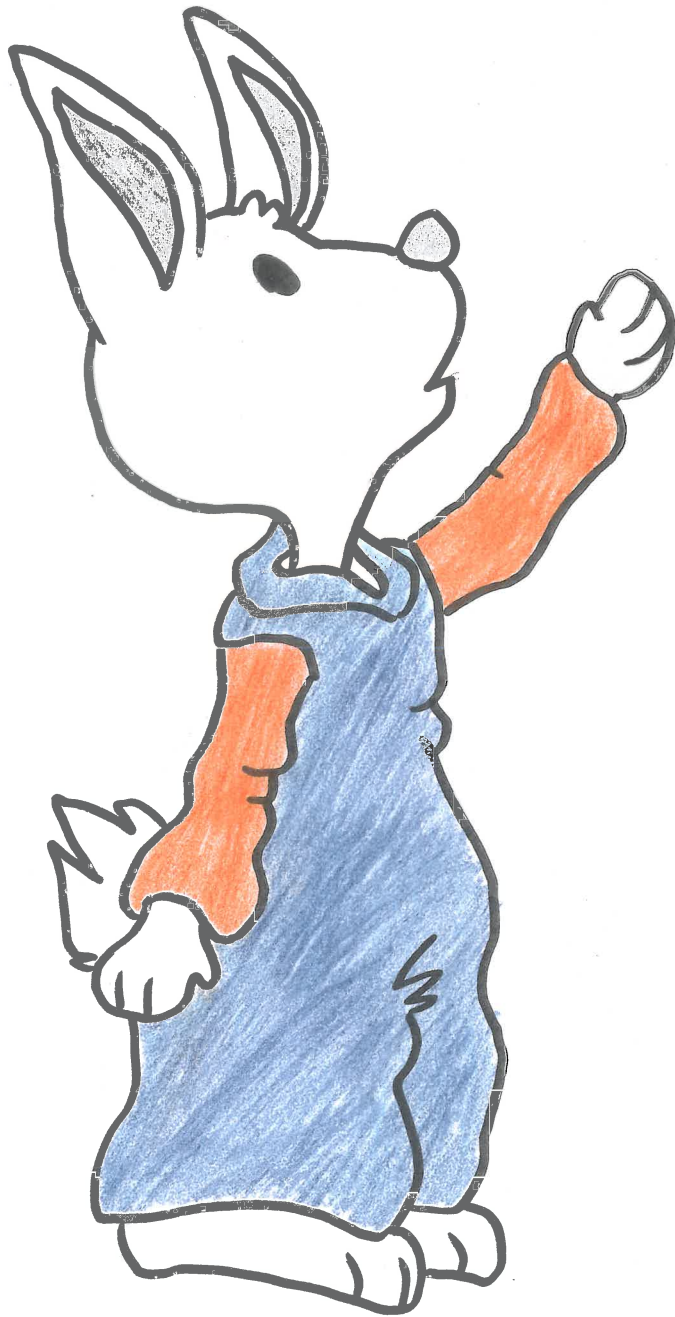

"Teddy, Teddy! Don't sweep the floor with my toothbrush"

"Ha ha ha", but I find it kind of funny, because Teddy actually thinks he can use one of my socks as a beanie

"Dear, dear little teddy,
I can see that you
have found my balloon.
You know how easily the
balloon can fly away
with you"

"But what!" Now Teddy has decided to build a fort out of all of the books from my bookshelf"

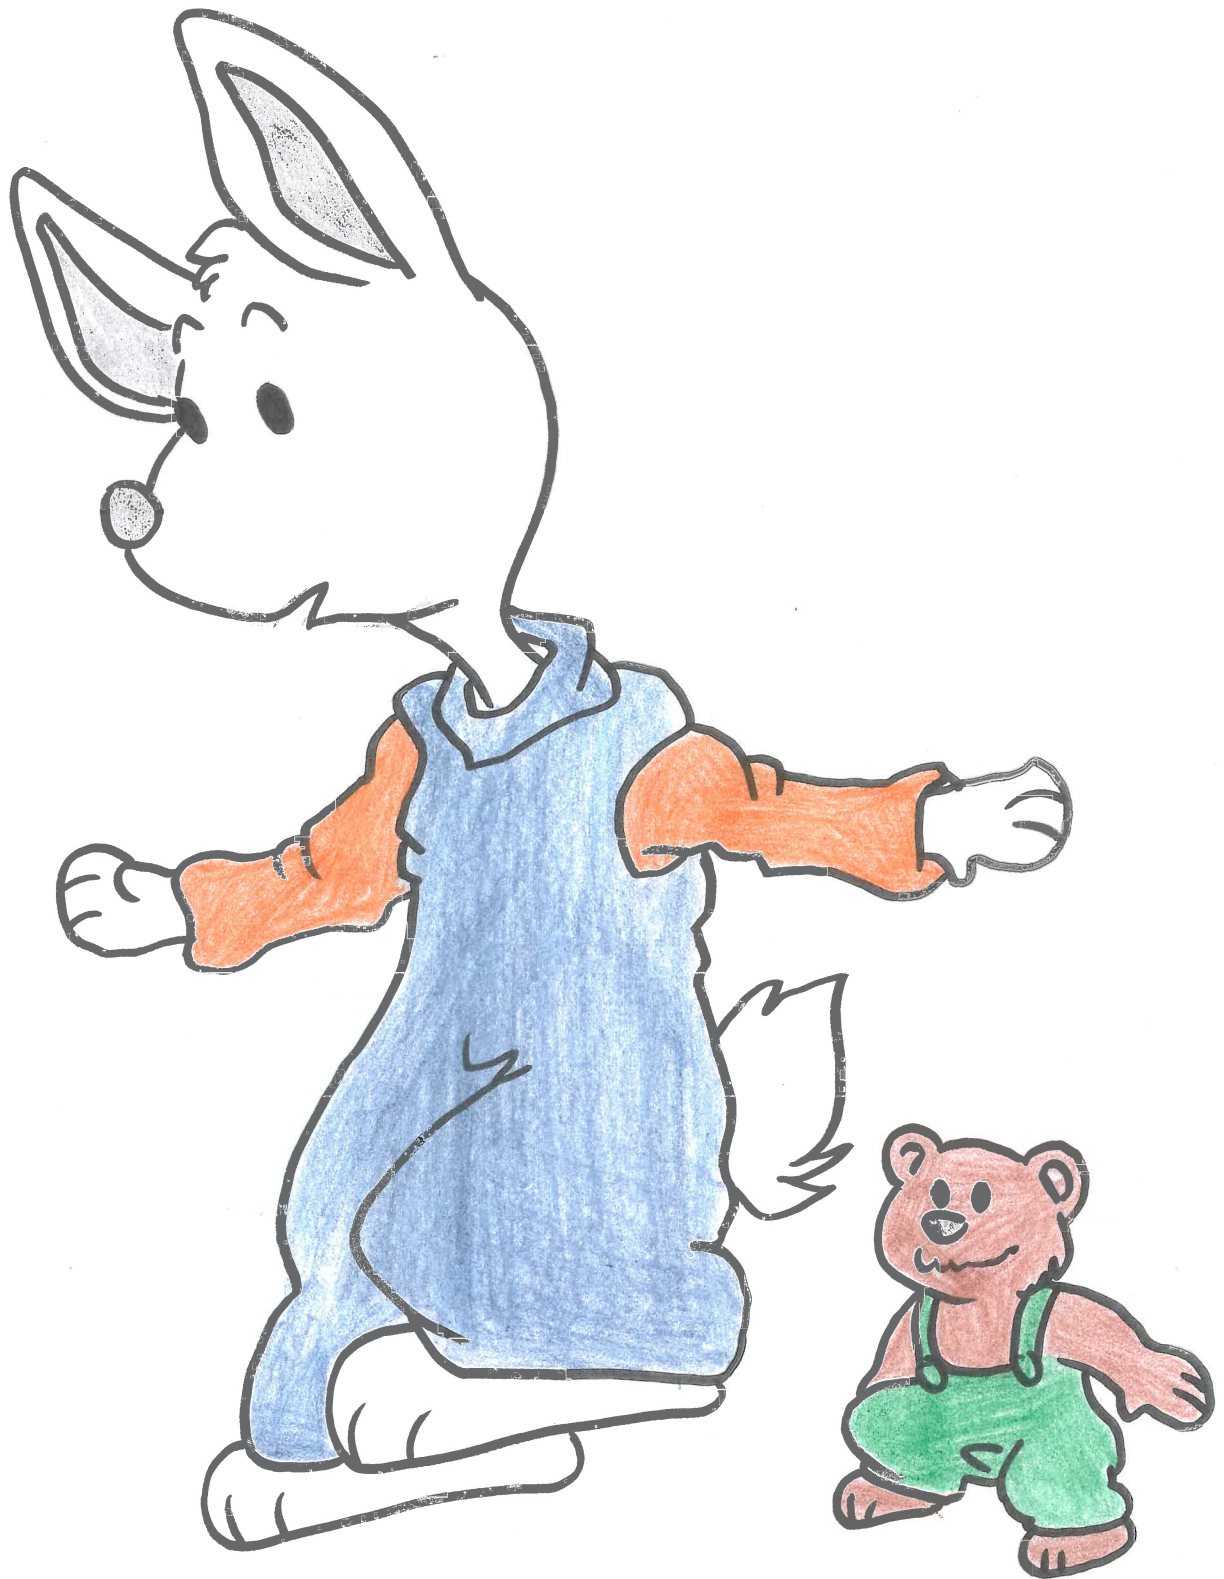

"What in the world are you doing you naughty teddy bear! Will you immediately take that cucumber out of the trumpet?"

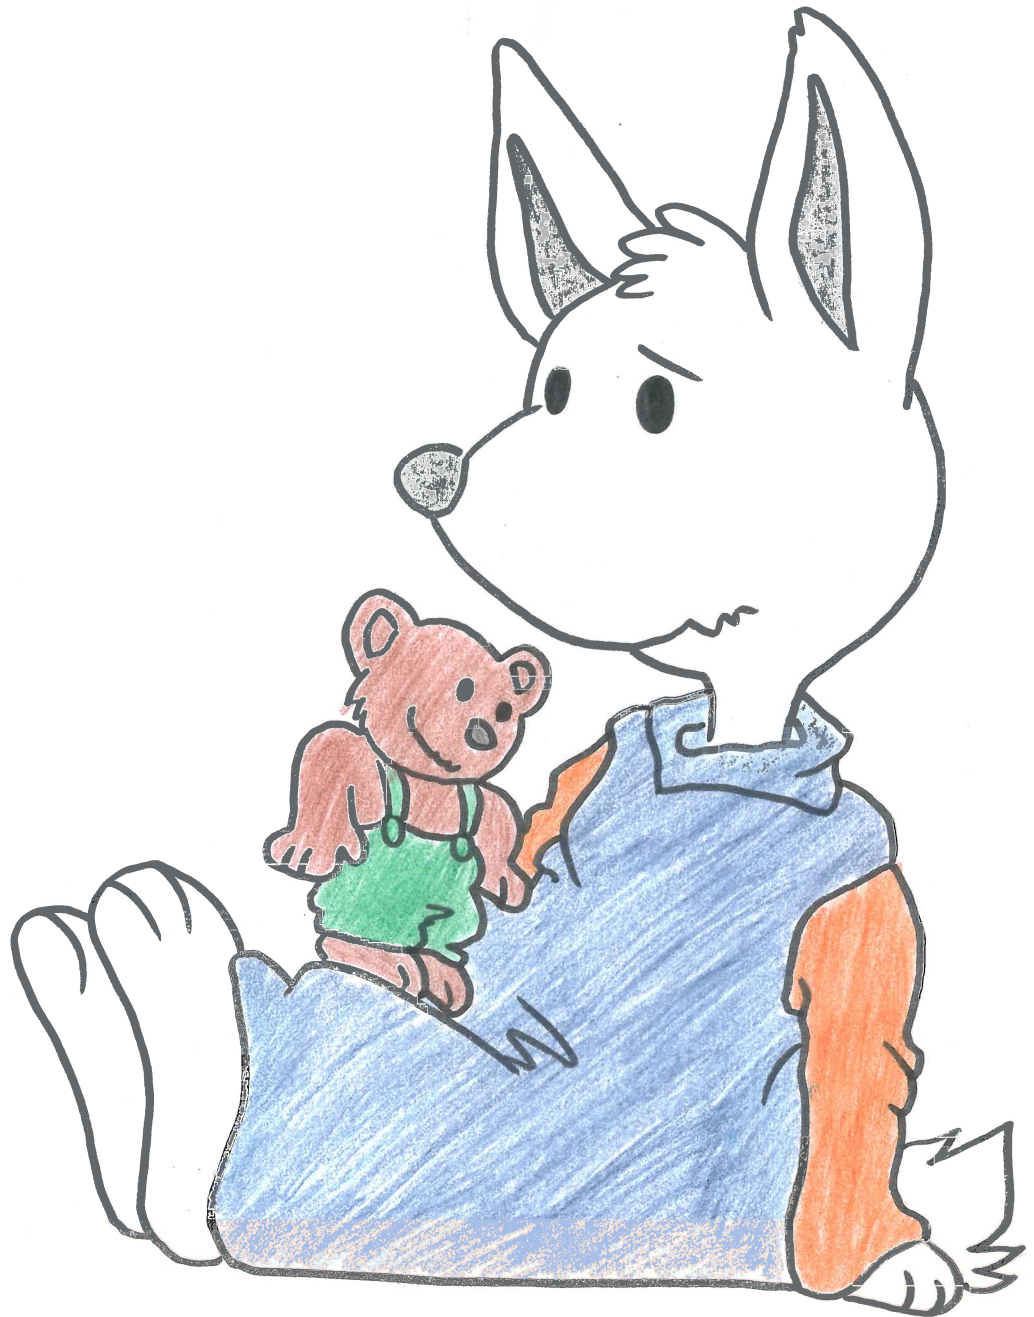

"Oh my, I can't see anything if you sit on my head! Do you think you are invisible?!"

"Oh, and will you please
stop putting potatoes in
my pockets"

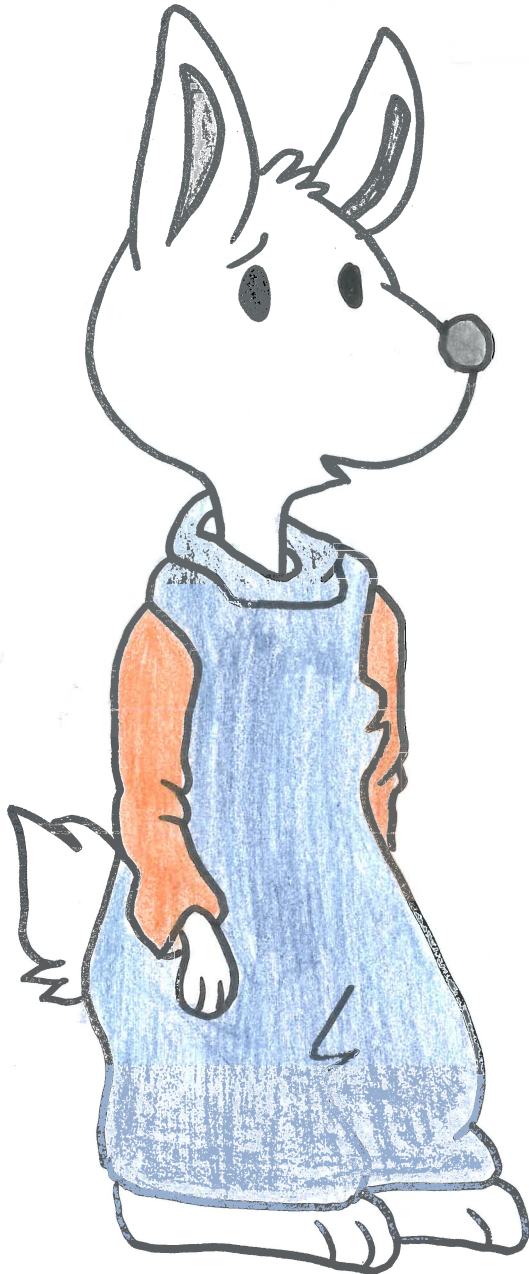

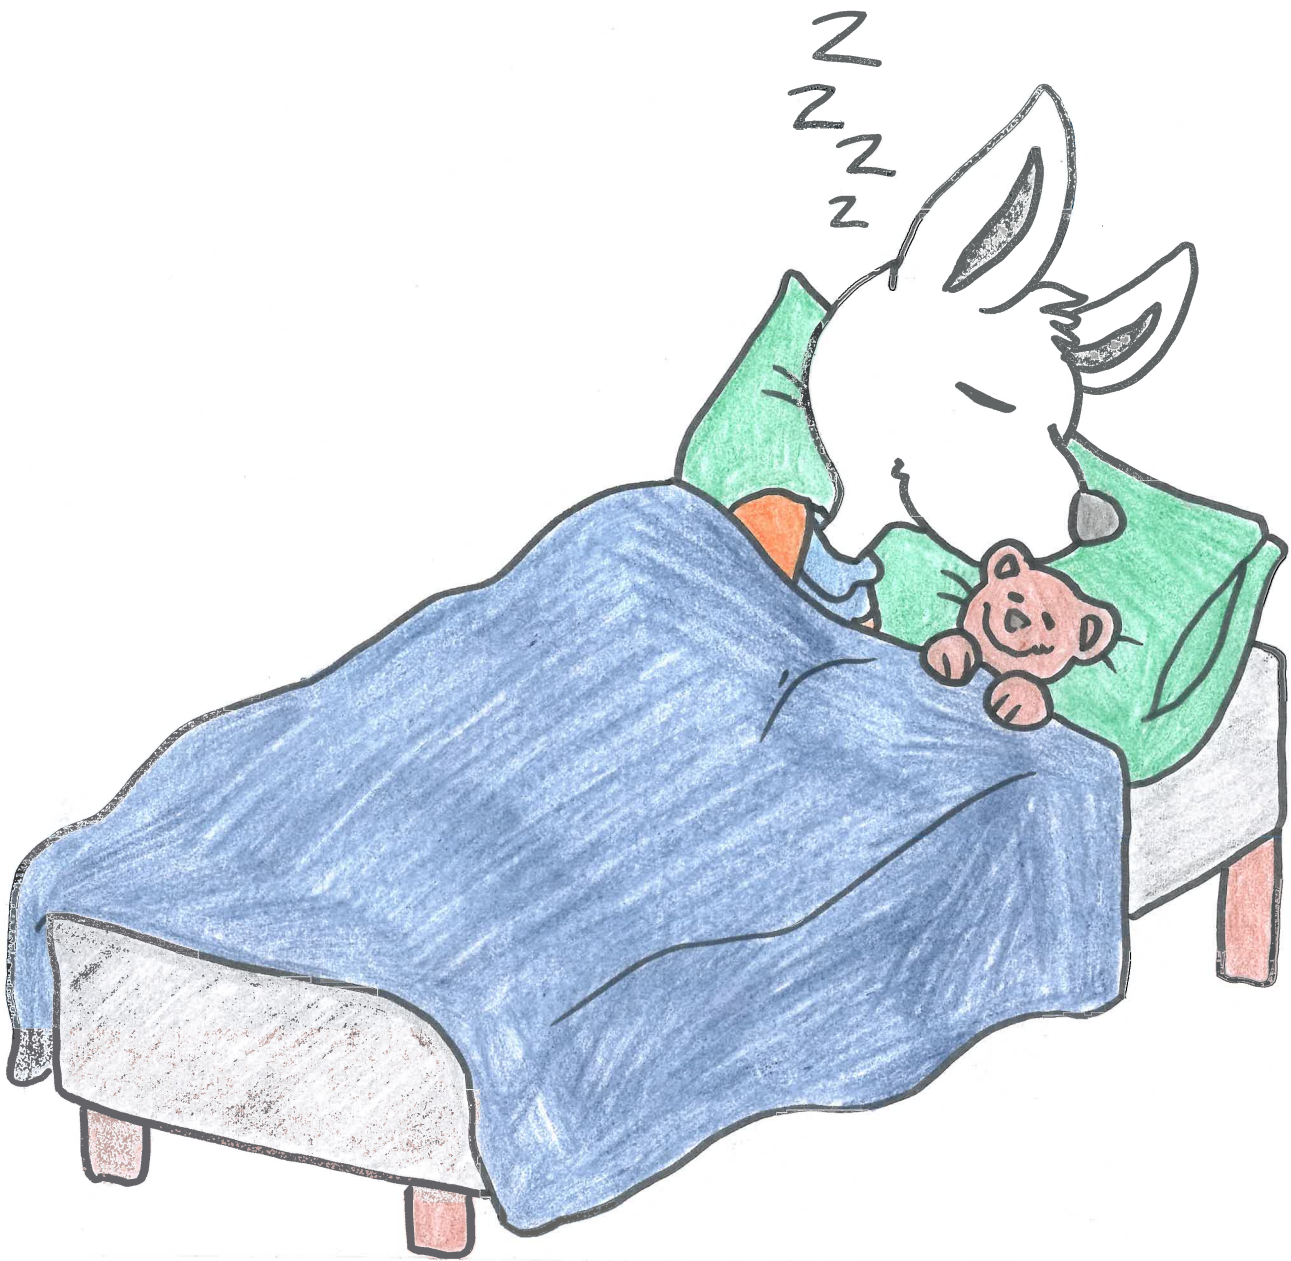

"Ouch, oh, ouch! It can't be funny to kick me in the ass all the time" "Aah, ouch, oh!"

"I would like to make you aware of the fact that this is a belly, not a trampoline" "Go and find somewhere else to jump"

"Teddy! No wonder
you get a belly ache
when you eat all
my toothpaste

There is something you are allowed to do, no matter how naughty you are! You are allowed to sleep in my bed, because everyone can be a jokester every now and then
