Notice of licensed Asbestos Removal Works

Dear Neighbour/ Property Occupier,

Scope Group Ltd, wish to advise that we have been contracted by Naylor Love on behalf of the Ministry of Education to remove asbestos from the below address. We are required to notify property owners in the vicinity by WorkSafe NZ.

Otago Boys High School
2 Arthur Street, Central Dunedin, Dunedin 9016

Work will be staged as building works progress; we anticipate the work for stage 1 will begin on the 24/05/2024 and run through to approximately the 06/08/2024 between 7am – 5pm Monday to Saturday

A thorough investigation & testing of the material being removed has been undertaken by an independent asbestos surveyor (class A & B asbestos containing building materials). We do not envisage any effect to you, or your property and air monitoring will be in place as a control measure to confirm this.

Please note: Work to be completed is to the internal area of the Shand Building, see attached map.
