

Māori Business Boot Camp (MBBC)

Monday 5 – Thursday 8 October 2020
Closing date for applications: Friday 4 September

The Māori Business Boot Camp is a fully funded on-campus event that provides an amazing opportunity for Y12 Māori students in Te Waipounamu/South Island who are interested in business to learn more about the sector. There are a number of travel scholarships available for students living outside Dunedin. The four-day programme is facilitated by academic staff from the University of Otago and Audacious powered by Startup Dunedin.

Students will explore the University campus and the student city of Dunedin and participate in business activities that will inspire and challenge their business mindset. The MBBC aims to develop their skills in innovation, collaboration, entrepreneurship, economics, sustainability and Māori business frameworks. The MBBC allows students to experience life in a residential college and meet Te Huka Mātauraka staff who provide great support for Māori students while they are studying at Otago.

Entries are sought from Y12 students of Māori descent who are currently enrolled in a South Island New Zealand secondary school, working towards achieving University Entrance and considering studying at the University of Otago.
