

SEMINAR

Course Outline

Fraud can happen in any school, no matter how trust-worthy you may perceive your staff to be. Minimising opportunity and removing temptation is the best way to protect valuable taxpayer-funded resources. This seminar will look at real-life examples, including: the most frequent types of fraud in schools, mechanisms to reduce risk, red flags to watch for, and what action to take if fraud is detected in your school.

About the Presenters

Mike Rondel

Audit & Assurance Partner, BDO Christchurch
Michael has over 20 years' experience providing professional auditing and forensic accounting services to corporates in both New Zealand and overseas. His focus is the education sector where he has been appointed statutory manager to a number of schools on behalf of the Ministry of Education. Michael also provides advisory services to many Boards of Trustees and has significant governance experience serving on a range of boards and committees, including the leadership role of Chair.

Amy Hill

Audit manager, BDO Christchurch
Amy manages BDO's portfolio of 230 schools throughout the South Island.
