

WHO IS MY NEIGHBOUR?

Once, when Jesus was talking to a crowd of people, one of them asked, 'Who is my neighbour?' Jesus told them all a story about a person who was beaten up by the side of a busy road and left there.

Lots of people who lived close by saw that the person was hurt but didn't stop to help. But... one person did, even though they were from a distant place and very different to the people around them!

Imagine you were there as part of the crowd. Draw a picture of you below in the crowd listening to Jesus' story:

What questions would you ask Jesus about this story?

Jesus told a story about someone from a foreign place being a good neighbour. God asks us to love our neighbours too - those near and far. That's why we try and help as many people as we can!

I wonder... can you think of a time when someone helped you? Draw a picture of it here. Can you think of a time when someone unexpected helped you?

shelter

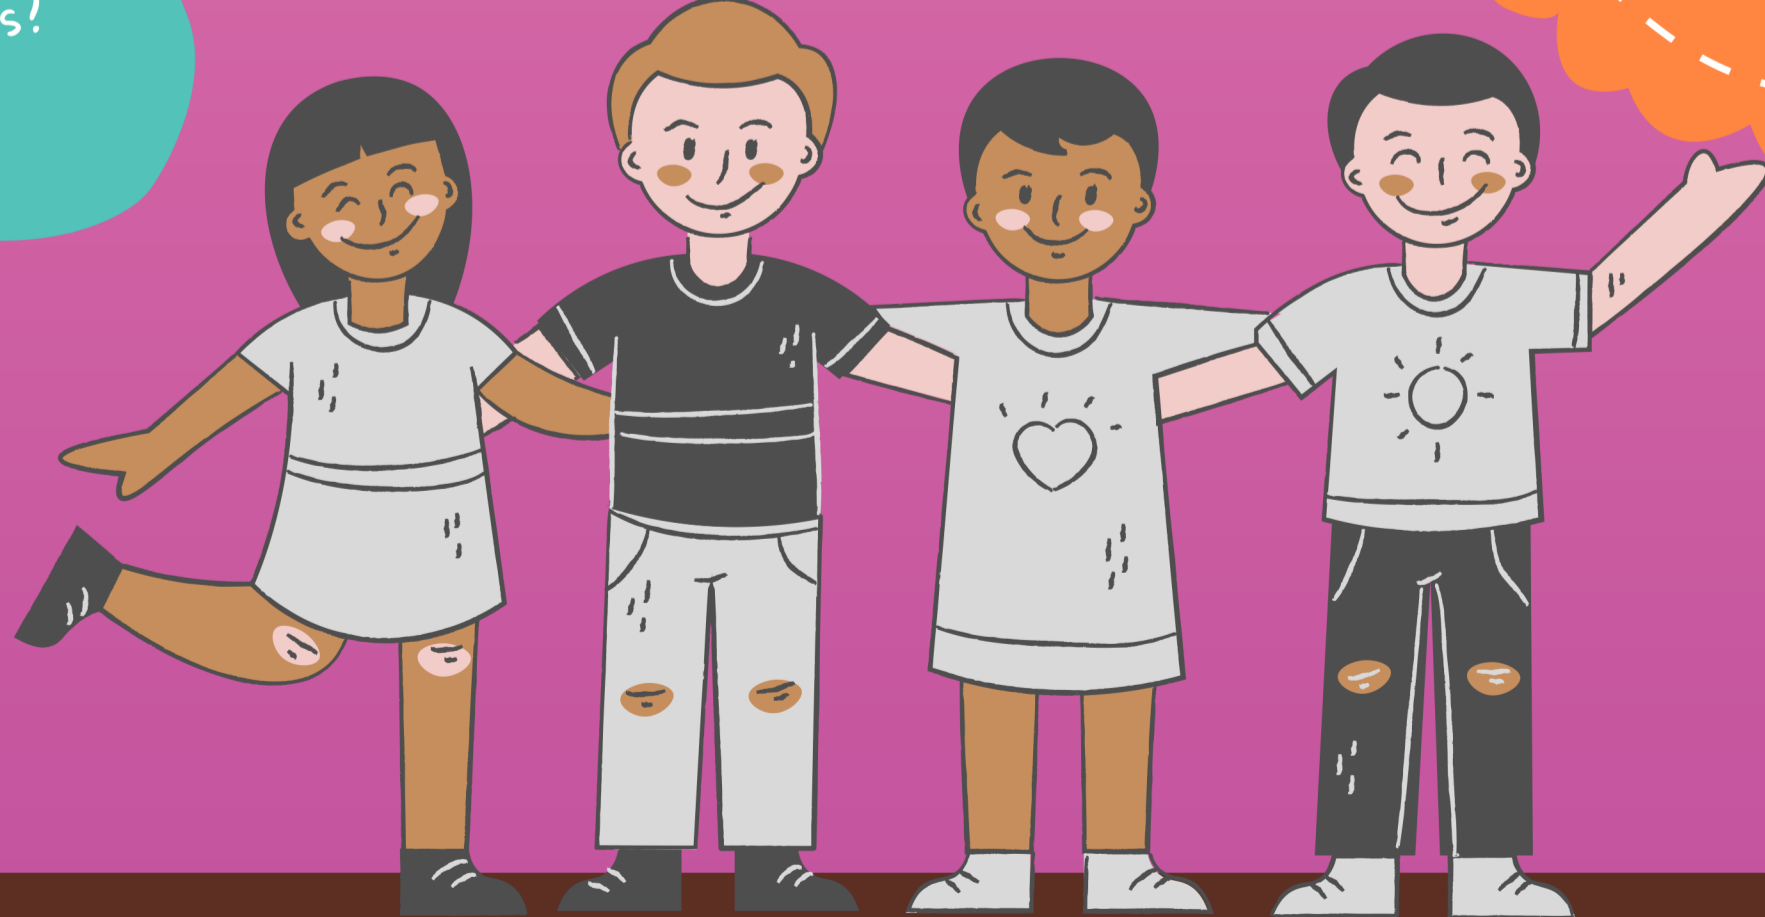

clothes

medicine

clean water

Some of the ways we can help our neighbours are really simple. Here are some we do at Anglican Missions. Can you think of and write down any others?

Write a one sentence prayer for your neighbour
Please God...

I wonder... who acted like a good neighbour in the story?
