Student Voice

Summary of main points (from 195 comments student surveys)

- **Positive Learning Environment:** Many students express their enjoyment and satisfaction with their school experience, citing that the teachers are nice, kind and make learning fun.
- **Supportive Community:** Students feel a sense of belonging and appreciate the kindness and support they receive from their friends, teachers, and school staff.
- **Safety and Well-being:** Students feel safe & happy at school.
- **Academic Growth:** Students mention their progress and improvement in various subjects, particularly in reading, writing, math, and learning new languages.

I love how they treat me like I'm from New Zealand because when my family and I were moving I was not happy to come but then I realised that they are so nice I was so happy and I love my school.

It's very fun because you can connect with your friends and teachers and the teachers are very nice and funny, I love going to school. It makes me feel happy when I get to do stuff that I enjoy.

Amazing, recommend your kid(s) should come to this school! You've got teachers that can help you, it's a lot of fun here!

I love this school I like the teachers too they're so nice to me and they respect my culture too

It is a GREAT experience they make us learn a lot of English and Māori they make everything fun (work) everyone is SUPER nice and i love this school so much!!!!!!!!!!!!!!!!!!!!!!

Parent Voice

Summary of main points (from 201 comments parent surveys)

- **Welcoming and inclusive environment:** The school is praised for being inclusive and creating a positive and happy atmosphere. Teachers are described as welcoming, and students feel safe and at home in the school.
- **Academic improvement:** There is a noticeable focus on academic improvement. Students are making progress in their learning, particularly in literacy and numeracy.
- **Engaging and supportive teachers:** Teachers are described as amazing, supportive, and kind. They create a fun and engaging learning environment, and students enjoy coming to school.
- **Strong sense of community:** The school is commended for its strong sense of community and cultural celebration. It values diversity and creates a multicultural environment where students feel accepted and supported.

My tamariki love this school and always look forward to school days. The school acknowledges the diverse cultures of the school community.

I've personally seen a difference in my kids' confidence in all aspects of their development at this young age since they started at this school a few years ago. It's definitely a great example of forward thinking. Nothing but praise.

They have a holistic approach to learning and development which is important. I love their philosophy and see it in action every day.

My child loves coming to school and is keen to learn, which is great testament to the teachers and school for making learning fun.

Love how the schools values are shown throughout the school and how friendly the staff are

My child loves being here and that is a testament to how great she feels and how welcoming Te Ao Mārama is to her. She has a thirst for knowledge and that is met by her wonderful teachers

My son , really loves to go to Te Ao Mārama school. He loves all of his teachers and friends. He enjoys all the activities and also have good fun too. Thanks for all the support and love .
