Dear Schools

Exciting Announcement: 2023-2024 BMX Race Season and Open Day/Registration Day!

I hope this letter finds you well. As the new BMX race season approaches, we are thrilled to inform you about a fantastic opportunity for students to discover the exhilarating world of BMX racing. Our three BMX clubs in the Canterbury region—Christchurch City BMX Club, North Avon Christchurch BMX Club, and North Canterbury BMX Club—are collaborating to bring you an exciting event that we believe will captivate the interest of your students.

On August 19th, 2023, at 2:00 PM, our clubs will be hosting an Open Day/Registration Day at their [Christchurch City / North Avon Christchurch / North Canterbury] BMX tracks. These events will serve as the perfect introduction to the upcoming 2023-2024 BMX Race Season. We invite students and their families to join us to learn about the exhilarating sport of BMX racing.

The Open Day/Registration Day will feature:

- **Introduction to BMX Racing:** Our experienced coaches and riders will be on hand to explain the basics of BMX racing and how the sport promotes physical fitness, teamwork, and discipline.
- **Track Tours:** Participants will have the opportunity to explore the BMX track, gaining insight into its various elements and the skills required to navigate them.
- **Registration:** For those students eager to dive into BMX racing, registration for the upcoming season will be available on-site. Our clubs will be ready to answer any questions you may have about membership, schedules, and requirements.

- **Bike Demonstrations:** Attendees will have the chance to witness thrilling BMX bike demonstrations by experienced riders, showcasing the sport's dynamic and heart-pounding nature.

We believe that BMX racing can offer an engaging and rewarding extracurricular activity for students. It not only promotes physical fitness but also instils values such as determination, perseverance, and sportsmanship. We encourage you to share this event with your students and their families, inviting them to experience firsthand the excitement of BMX racing.

We kindly request your assistance in spreading the word about this event among your students and their families. Should you have any questions or require further information, please feel free to contact me directly on 021 575435 or mainlandnorth.bmx@gmail.com

If you can, would you please distribute the attached electronic flyer with your newsletters and help get the word out.

Thank you for your support in making this event a success. We look forward to welcoming your students to our BMX Open Day/Registration Day on August 19th.

Sincerely,

Graeme Galt
