Hostel Staff / Management reserve the right to impound the bicycle if rules are not obeyed or bikes are left lying around the buildings or grounds. Bicycles must be covered by home insurance. (See Insurance - page 31)

BOARDERS RESPONSIBILITIES

It is the responsibility of all students to maintain the standards upon which the good name of the school and Hostel have been built.

- Respect for the rights of others.
- Respect for authority – those older than you and especially Prefects, Senior Leaders and Dorm Leaders.
- Ensuring all school and Hostel rules are obeyed at all times and in all circumstances. (See School and Hostel Code of Conduct – page 17/18)

Boys who choose to misbehave can expect to be reprimanded. Accepting responsibility for your actions is a lesson we do enforce. Common sense and self-discipline are an individual responsibility.

BOARD OF TRUSTEES

The Argyle Hostel Committee is a committee that reports to the Hamilton Boys' High School Board of Trustees. This committee consists of three Board of Trustees members, the Director of Boarding and the Headmaster of Hamilton Boys' High School. Any recommendations made by the Hostel Committee are included in a report to the Board of Trustees for consideration and ratification and must be sanctioned by the Board of Trustees before they can be actioned.

ORAH

Orah is the Leave Software that the Hostel introduced to streamline and digitise all leave and pastoral processes in house.

It is an online application that lets students sign themselves out for morning and afternoon leave, and parents submit weekend and overnight leave for their sons.

It also provides a real-time record of every boy's location via iPads and the Masters' computer in the Duty Master's office, administered by Katrina McLaughlin, the Matron and the Duty Master.

Signing up to Orah

- Email invitations have been sent out to all parents of current boarders to connect on Orah. Please open the email, click on the appropriate link and fill out the details as required.
- Parents will be able to view the leave and pastoral history of their son, as well as fill out a drop-down form for weekend or overnight leave which is then sent via the app to Hostel duty staff.

Leave that parents must submit

- **Overnight Leave:** This leave needs to be completed to allow your son overnight leave between Monday-Thursday.
- **Weekend Leave:** This leave needs to be completed if your son needs overnight leave at any time during the weekend, Friday – Sunday.
- Leave is then checked and approved, and a confirmation is sent back to the parent.
- It will then be in the system and your son can be signed out by the Duty Master at the time of departure.
- If any details are missing or incorrect, you will be asked to resubmit or amend that requested leave.

Procedures to ensure accurate meal counts each weekend

- Weekend Leave Event in Orah. **You will now be required to OPT IN or OPT OUT of Weekend Leave before midnight Thursday of each week.**
- You will receive a prompt on Wednesday and Thursday afternoons to remind you to get the leave in on time.
You will complete the weekend leave as per normal, but it is now through the **Event Pass** instead of individual weekend leave.
We are doing this to streamline the process of leave and make catering numbers easier and more accurate for the kitchen to calculate in advance.
If family circumstances change suddenly after midnight Thursday, and your son requires leave, then please use the **Special Request Leave**.

Leave that students must submit

- **Morning Leave:** Students need to sign out for morning leave the evening before.
- **School Leave:** Students must sign out of the Hostel on departure to school and sign in on return to the Hostel after school.
- **Sports Leave:** Students sign out for sports leave as they leave the Hostel (unless it is in the morning, in which case morning leave applies).
- **Town Leave:** Students have a limited number of times that they can sign out to town in the afternoons and weekend. They sign out as they leave the Hostel.
- **Other Leave:** Students sign out for other leave such as physio appointments and family functions, as they leave the Hostel.

For any extraordinary circumstances, please email the Hostel argyle@hbhs.school.nz

Any Orah queries or questions should be referred to Orah via your Orah login, or contact the Master In-Charge of overseeing Orah, Mr Luke Katene
lkatene@hbhs.school.nz

Any updates to email addresses need to be sent to argyle@hbhs.school.nz

BOUNDARIES

The Hostel Boundaries are:

- Argyle Street entrance to edge of Hostel car park
- Car park to end of senior units
- Argyle Street entrance to kitchen entrance
- Grassed field immediately in front of Dorm One

Whilst residing in the Hostel, boarders have permission to move about within these boundaries, without the need to inform the Duty Master.

The following areas, within close proximity of the Hostel and on school grounds are strictly out of bounds:

- Any part of the gully adjacent to Argyle House
- Staff accommodation
- Past the Argyle Street entrance

Students wishing to visit parts of the school grounds outside Hostel boundaries (e.g. sports fields, tennis courts, gyms) must sign-out on Orah with the Duty Master.

Remember, the Duty Master must be able to account for all boys' whereabouts at all times.

All boys' must sign out when they depart for school each morning and sign back in on their return to the Hostel. This is a health and safety issue, as some boys are held back at school e.g. detention, work completion, yet they are marked on Orah as being "IN".

They will also sign out and in when completing examinations at school.

Likewise, matches and cigarette lighters, vapes, are also **forbidden**. Safety is paramount - no means of ignition will be allowed. Effective communication between the families of boarders and the Hostel is essential. Important contact details have been included to ensure communication with Hostel Staff is made easy. In the case of emails, please be aware that information sent in an email may not be received until checked at a later time. Every effort is made to acknowledge emails as soon as received. This includes any leave submitted via Orah.

Regular emails are circulated to keep families informed of important events and goings on.

The first point of telephone contact is the Hostel office. In addition, the Director of Boarding is available at all times except when in meetings or in class. The Duty Matron can be contacted during her rostered hours of duty (See page 26/27)

COMMUNICATION WITH THE DAY SCHOOL

If you need to contact your son's teacher or Dean of your son's level, you are advised to contact the school office. As some teachers can often not be reached by telephone it is best to leave a message or email. The Dean of Boarding will assist if required.

You will also have the opportunity to meet all your son's teachers at Parent Evenings held twice a year.

The Dean of Boarding will liaise with your son's Teacher, Tutor or Dean on your behalf whenever necessary.

A formal written report is available to the parents of all boarders once a year (Term 4). This report reflects general behaviour, co-operation, social adjustment and study habits and can be accessed through the HBHS App Parent Portal.

An interim report for all new Boarders (End of Term 1), is also available to parents and can be accessed through the HBHS App Parent Portal.

A Hostel newsletter is published every few weeks and is emailed as a link out to all parent/caregivers by the Director of Boarding, giving a snapshot into life at Argyle House as well as informing parents/caregivers of key dates and events.

COMPASSIONATE LEAVE

This leave is granted after discussion between the parents and the Director of Boarding.

COMPLAINTS POLICY

RATIONALE

It is important for the smooth running of Argyle House (hereinafter "the Hostel") and the development of purposeful relationships, that any parent, caregiver or any other person is able to have an opportunity to communicate any concern they have regarding any aspect of the Hostel's operation. The Hostel will respond to all concerns expressed and complaints made about any aspects of its operation in a fair and consistent manner and in accordance with the employment contracts of the Hostel staff, legislation and Codes of Conduct included in the charter of Hamilton Boys' High School.

PURPOSE

- To develop clear guidelines for dealing with concerns and complaints in accordance with procedures established by the Board of Trustees.
- To deal with concerns or complaints in accordance with procedures established by the Board of Trustees and the Director of Boarding.

- To ensure concerns or complaints are dealt with in a confidential manner and in a consistent and courteous manner by all involved.
- To protect Hostel staff from being subject to unreasonable demands and harassment while carrying out their legitimate tasks.
- To put in place disciplinary and corrective actions in accordance with the correct legal and contractual procedures as required.

GUIDELINES

- Every effort will be made to recognise the symptoms of problems arising and to adopt policy structures and management techniques that will reduce the likelihood of concerns and complaints not being settled in a quick and effective manner. The Hostel will attempt to resolve the concern or complaint as close to its source as possible thereby negating the possibility of any further action to be necessary;
- Because of the unpredictable nature of concerns and complaints, and the variety of circumstances which may surround procedures **show possible** steps in resolving a concern or addressing a complaint.

PROCEDURES

1. Complaints and concerns NOT deemed to be of a serious nature made by the Complainant may be made orally or in writing to the Director of Boarding or the School Headmaster.
2. Complaints and concerns deemed to be of a serious nature **must** be expressed in writing and must be addressed to:

 - Send an acknowledgement letter of receipt to the complainant
 - inform the complainant of any relevant internal complaint procedures
 - Send a copy of all information held by the owner that is or may be relevant to the complaint

4. **Within 10 working days after acknowledging receipt of the complaint:**
The Hostel owner or the person representing the Hostel owner will:
 - Decide that the complaint is or is not justified or
 - Decide that additional time is needed to investigate the complaint. In this case the owner must determine how much additional time is needed and decide as soon as practicable whether the complaint is justified. If the additional time required to investigate the complaint is more than 20 working days, the owner must inform the complainant as soon as practicable of the

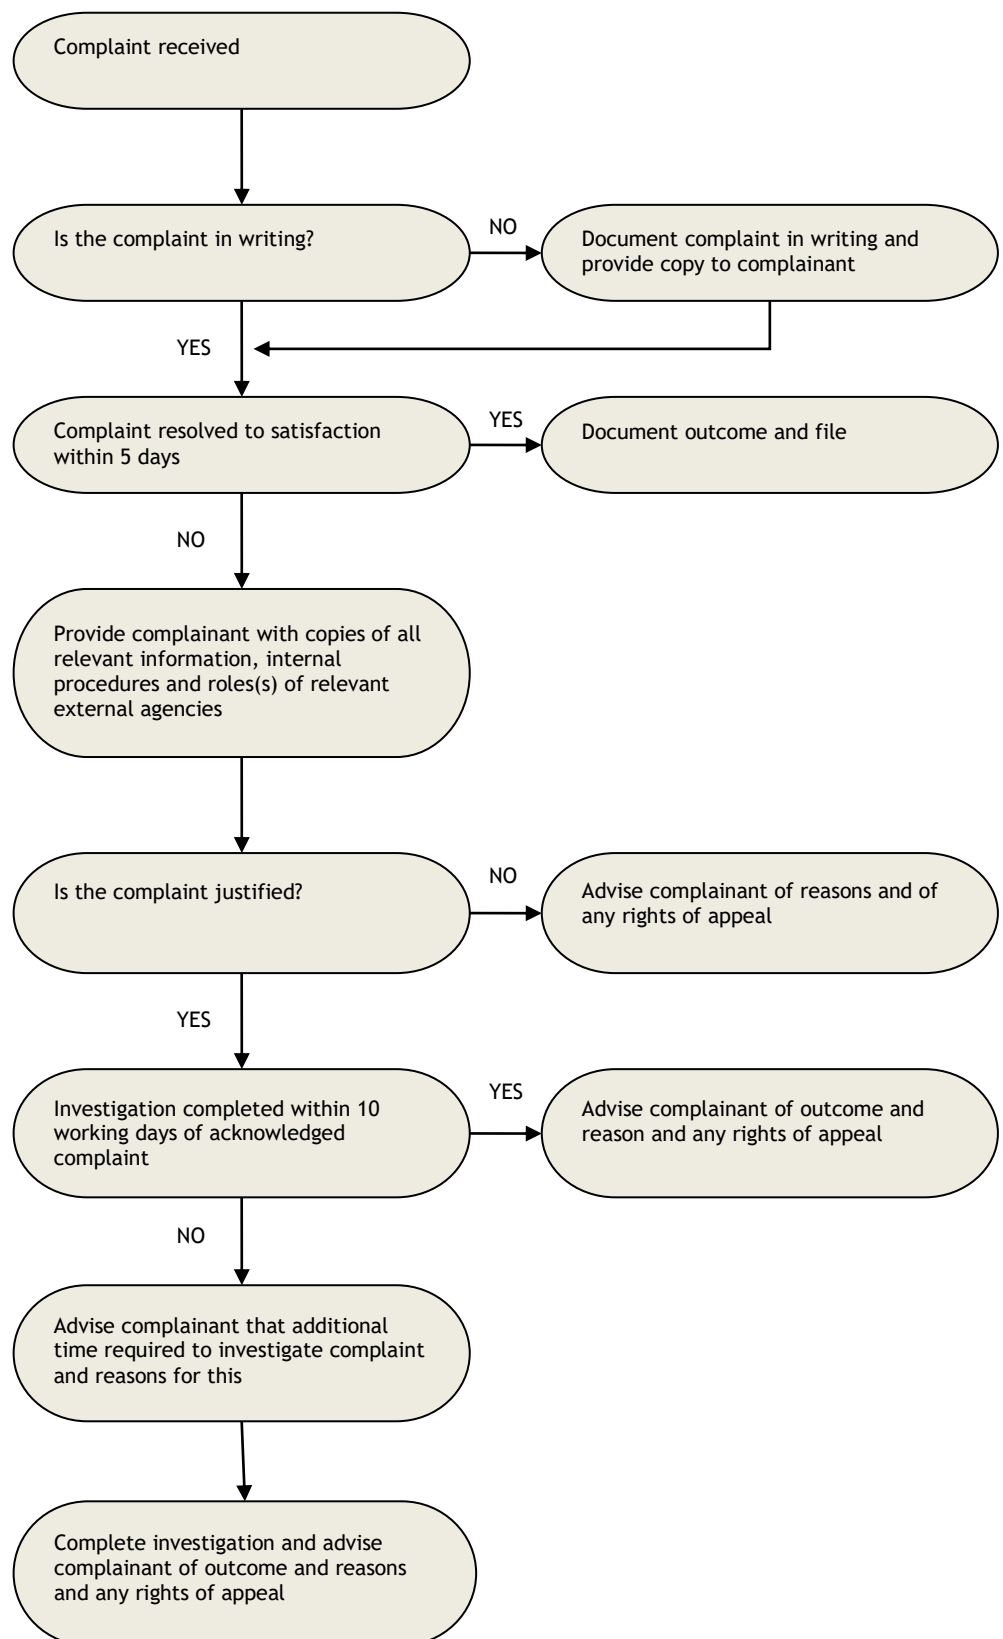

fact of, and reasons for, the determination and that the owner is required to decide as soon as practicable whether the complaint is justified.

5. **After making a decision:**

The Hostel owner must inform the complainant of

- The reasons for the decision that the complainant is or is not justified; and
- Any actions the owner proposes to take; and
- Any procedure the owner has in place to enable consideration of an appeal by the complainant against the owner's decision on the complaint; and
- The role of any relevant external agency that may be available to assist the complainant or to investigate the complaint if it is not resolved to the complainant's satisfaction.

Complaints Procedure:

COMPUTERS

Computers are available for student use. Bookings are made on a daily basis on a booking sheet kept in the prep room.

Students can bring laptops or a learning device to the Hostel, but this is OPTIONAL, as we are not a BYOD school, and is done at the student's risk. The Hostel has a "locked device cabinet" to lock 32 Hostel boys' personal devices for Years 9 and 10 boarders (See insurance - page 31).

32 Chrome Books will be available for Years 11-13 to use during prep hours in the dining room only. Grove has 16 Chrome Books available for use during prep hours.

Chrome book issue/return process during Prep

- **When a student gets a chrome book, he checks it first, if there is a problem then he reports it to the duty master OR classroom teacher.**
- **Master present at COWS when boys come to pick one up pre-Year 11 prep start.**
- **Record name on booking sheet as normal, and in Hostel prep room for day school classes.**
- **9pm minor master checks off chrome books before they go in to the COW and/or classroom teacher checks all chrome books as they are returned to the desk prior to being carried downstairs.**

20 PC computers are also stationed in the prep room for boys to book during the hours of evening prep. A networked printer/copier will also be available for students use in the prep room.

Students can use the wireless network to access the Internet at the times set.

* Argyle House reserves the right to suspend or cancel this privilege.

CONTACTING THE HOSTEL

Parents are welcome to ring the Hostel at any time, apart from mealtimes, prep time and after lights out. We recommend boys be contacted via their mobile phone.

D

DAILY NOTICES

Daily notices are displayed on the white board in the office foyer. It is the student's responsibility to read this board on a daily basis.

DAMAGE TO HOSTEL PROPERTY

A student who causes damage to Hostel property, through stupidity or by accident, is required to report the matter without delay. The student is responsible to pay part or all the cost of repairs. Where the culprit/s does not own up, and the damage identified by a staff member or other boys is not reported then the total cost of the repairs for the unreported damage is divided evenly amongst the boys that reside in that area, with the cost placed on the student's account.

DEVICES

Devices include an ipad, laptop, tablet. Students bring them into the Hostel at their own risk. (See insurance - page 31).

All devices are optional, as there are numerous Hostel-owned computers and chrome books within the Hostel that students can book to use during prep hours. Years 11-13 students may keep their device in their room. Mobile phones for Years 9-11 will be handed in by a designated time each evening.

All Years 9 & 10 students must keep their device in a locked device cabinet, (that also charges the device) upstairs in the Hostel Prep Room. They may not share a device cupboard/space with another student. Overflow of devices is to go into the secure 'Director of Boarding office' downstairs.

Each boy is issued their own key for their own device cupboard, which will be kept in a secure numbered lock box, to be administered by the Argyle Master responsible for Devices.

If they lose their key, it will cost them \$15 to replace.

After 9pm (or 15 minutes before lights-out), the Duty Master will check the device cupboard to ensure all devices have been returned, using the clipboard with the weekly sheet with the name of each student and their allocated cupboard. If there is a device missing, the Duty Master will call for the student and retrieve the device and issue a 'strike' to be placed in the 'Device Strike Folder' at the Masters' desk.

Failure to meet this simple rule of returning the device by 9pm:

- **First strike** = device confiscated for 24 hours, recorded in strike folder & recorded on Orah
- **Second strike** = device confiscated for 24 hours, recorded in strike folder & recorded on Orah
- **Third strike** = device confiscated for 7 days, recorded in strike folder & recorded on Orah
- **Fourth plus strikes** = device confiscated for 7 days, and thereafter & recorded on Orah

If a student has left their device at home, this will be marked on the device sheet on the clipboard, with the time that the device is away for to inform the Masters on duty for that week.

If a Year 9 or 10 student does not hand in their device, and instead keeps it in their room, and/or is caught using their device after lights out, then they will receive the same consequences for not handing their phone in:

1st Strike : lose device for 2 weeks + Community Service

2nd Strike : lose device for 10 weeks + 7 day Gating and Community Service

3rd Strike : lose device for the year + 7 day Gating and Community Service.

If a student turns up his portable speaker beyond what is an acceptable noise level both inside and outside the building, he will be issued with a 'Speaker & Technology' strike. Three strikes over the course of the whole year will result in a

Community Service being issued, as he needs to be considerate of both staff and students residing on-site.

DINING ROOM

Students are expected to display appropriate table manners in the Dining Room. They must dress tidily which includes footwear (not socks alone) and restricts singlets, hats and dirty clothing.

On-duty staff (and their families) regularly eat in the Dining Room with the boys.

DISCIPLINE (pages 17-24)

The Hostel will be each student's home while at Hamilton Boys' High School. In the family home there are rules to ensure that everyone contributes to the smooth running of 'family' activities - similarly there are rules and procedures for the Hostel. The Hostel supports the right of each individual to be part of a community that respects people and their property. We require parents' full co-operation in supporting these rules and the procedures so that the Hostel will function smoothly.

Argyle House operates very closely in line with the values and rules of the day school. Boarders at Argyle House are bound by both the School and Hostel Codes of Conduct, which are printed below to avoid confusion.

Discipline Procedures

It is expected that all boys are accountable for their actions. Therefore, when a boarder breaks the rules, he can expect to suffer a suitable consequence. Every effort will be made by staff to ensure that consequences issued for inappropriate behaviour match the nature of the incident.

- Chewing gum – as it ends up on the couches, carpet, paved areas
- Poor choices made with mobile phone use.
- Repeated incidents of a similar nature. E.g. personal space still doesn't meet the minimum standard of presentation despite a previous warning.
- Boys' using other boys' belongings without their permission.
- Not checking in with the Duty Master immediately upon return from Weekend Leave or other forms of leave.
- Inappropriate language
- Late return from leave
- Rudeness to a Dorm Leader, Prefect or staff member.
- Giving food to day boys.
- Wrong coloured socks with number 1's.
- Wet clothes hanging from window latches.

The Duty Master that issues the Community Service will email the parents to keep them informed.

Community Service is held on a Monday morning from 6.00am – 7.00am, with the Director of Boarding.

Boys can expect to complete jobs that improve the general tidiness of the Hostel surroundings. Boys who have Community Service will not have the opportunity to return from weekend leave on a Monday morning. Those boys that have an organised team training between 6.00-7.00am will complete their Community Service on Monday afternoon between 3.30-5.00pm.

Failing to front or late for a Community Service will result in:

- Jobs performed within the Hostel from 3.30 – 5.00 p.m. on Monday afternoon.
- Removal of general leave from Monday 3.15 – Friday 3.15 p.m.
- Completes a Community Service from 6.00 – 7a.m. the following Monday.

Boys who receive a Community Service for the fourth time in a school year will be Gated for 7 days and complete jobs as required. Parents/Caregivers will be notified that any further indiscretions resulting in being issued with a further Community Service this year, will require their presence at a disciplinary meeting with the Director of Boarding.

A fifth Community Service in a school year will result in a formal disciplinary meeting with Parents/Caregivers and the Director of Boarding. The boy will then be Close-Gated for 7 days, reporting to the Duty Master every hour to have a report card signed and complete jobs as required.

Summary of Community Services accumulated in one year:

Four Community Services in one year:

Gated 7 days & jobs as required by the duty master.

Five Community Services in one year:

Close-Gated 7 days, formal parent meeting & jobs as required by the duty master.

Six Community Services in one year:

Gated in Uniform 7 days & jobs as required by the duty master.

Seven Community Services in one year:

Close-Gated in Uniform 7 days & jobs as required by the duty master.

Eight Community Services in one year:

Stand-down from the Hostel

Allocation of Community Service

Any one of the following people may issue a Community Service:

- Director of Boarding
- Hostel Master
- Assistant Masters
- GAP students, Dorm Leaders and Prefects can request that students receive a Community Service but cannot issue them directly without consulting staff.

Consequence for Action

General behaviour in and around the Hostel is the responsibility of each individual. Expectations are very clear and reasonable.

The Master on duty is responsible for the care of all boarders during his shift.

Argyle House works on an immediate consequence system. This means inappropriate behaviour is sanctioned with an immediate and appropriate consequence issued by the Duty Master. Boys will be held accountable for their actions and will serve the Hostel community should they breach the rules.

Incidents will be recorded on 'Orah' to ensure patterns of behaviour can be monitored over time.

Instant Detentions (30 minute job)

Are issued to boys for behaviours that do not warrant a Community Service. E.g. running through the Hostel, wrestling on the games room floor, leaving their dining room table in a mess. i.e. complete dinner duty (vacuuming), kitchen bins for another boy. These are issued on a case-by-case basis. Master to enter this on Orah under 'pastoral' for that student in case there is a repeat that would result in a Community Service.

Director of Boarding's 'Gating'

For serious breaches of the rules or when a boy continues to repeat the same misbehaviour he may be 'Gated'. This involves confinement to the Hostel grounds for other than school and school related activities for a period of one week including the weekend. The Director of Boarding will outline the reasons for the gating when he notifies the parents by phone.

The Senior Master may 'Gate' a boy for a serious offence, but he must consult the Director of Boarding as soon as possible to have the matter dealt with in a formal manner.

The Director of Boarding can issue the following forms of 'Gating':

Close Gating

Used for boys who break a Gating or boys who cannot be trusted to remain within the Hostel boundaries, or for a serious offence occurring when already Gated, or for a boarder that has accumulated 5 Community Service consequences in the year to date.

- As for 'Gating' and, in addition, a blue 'Close Gating Record Sheet' must be signed at the designated times by the Duty Master for a 7-day period.

Gating in Uniform

For repeated re-offending or for serious offences, or for a boarder that has accumulated 6 Community Service consequences in the year to date.

- The offender must remain in correct and full school uniform at all times for 7 days.

Close Gating in Uniform

For repeated re-offending or for serious offences, or for a boarder that has accumulated 7 Community Service consequences in the year to date.

- As for 'Close Gating' but the offender must remain in correct and full school uniform at all times.

Note: When a boy misbehaves in a very serious or offensive way, the Duty Master, in consultation with the Director of Boarding, may invoke any of the above without going through previous steps.

Stand down

The Director of Boarding after consultation with the Headmaster may stand down a boy for up to and including five days for very serious offences which include, but are not limited to, such as:

- Breaking into someone's lockable cupboard.
- Theft.
- Indulging in or carrying drugs (including cigarettes, vapes, alcohol, nitrous oxide canisters, general substance abuse)
- Vandalism e.g wilful damage
- Weapons on-site e.g. knife
- Being absent without leave and/or not going to the designated place approved for leave.
- Misuse of fire safety equipment (including fire hoses).
- Bringing people into the Hostel outside of approved times.
- Being absent from the Hostel without approval (from parents or Hostel).
- Physical or verbal assault towards other students or staff members.
- Sexual harassment.
- Sexual misconduct and/or displaying inappropriate touching of other boys.
- Bullying.
- Inappropriate use of social media and/or mobile phone.
- Riding in a vehicle without permission and/or transporting boys while on a restricted license and/or being in a vehicle with another student who holds a restricted license
- Other harmful or dangerous behaviour.
- Continual disobedience.

Procedure for Stand down by the Director of Boarding

1. Parents or guardians are to be notified by the Director of Boarding by the first available means, to remove their son from the Hostel (an arrangement must be in place for a person approved by parents to collect a student, if circumstances prevent the parents/guardians from doing so).
2. Parents, guardians, (or the approved substitute), student and Director of Boarding discuss the reasons for the stand down, duration of the stand down and the fact that the stand down is from the Hostel only, before the student is removed. As it is a Hostel offense the boarder may still attend the day school for the duration of the stand down period, if the family can find alternative accommodation.
3. A letter will be sent from the Board of Trustees Secretary to the parents to confirm the date and reasons for the stand down, duration of the stand down and to reiterate that a stand down is from the Hostel only.

Suspension

If the Director of Boarding and Headmaster consider the offence is serious enough and warrants more than a five day stand down, or possibly, where otherwise the student would be being stood down for the second time, a decision to suspend the student will be made by the Headmaster.

The student and his parents/guardians will be requested to attend a suspension meeting with the Hamilton Boys' High School Board of Trustees Disciplinary committee.

The Director of Boarding will advise parents of the following:

- Time and place of meeting
- Right of student to attend the meeting
- Right of parents to attend the meeting
- Right of parents and students to bring representatives to the meeting
- Right of any of the above to speak at the Board Disciplinary Committee meeting.

The meeting will be held within 7 school days after the day of suspension. Parents must have all material to be discussed at the meeting at least 48 hours before the meeting.

The Headmaster and Board of Trustees members on the disciplinary committee make the suspension meeting decision. The Director of Boarding is not part of this decision.

At this point expulsion may well be considered.

The board may decide either:

- **To lift the suspension from the Hostel (with or without conditions), or;**
- **To extend the suspension from the Hostel with conditions for a reasonable period of time, to be determined by the board, or;**
- **To exclude the student from the Hostel.** (*End of Discipline Procedures*)

DOCTORS AND DENTISTS

The Hostel has an association with Hamilton East Medical Centre and Anglesea Clinic. As well as general medical care, radiology and physiotherapy are available. Parents may choose to have their son attended by another doctor. Please advise the Matron. All medication for all boys is kept in the locked dispensary and is dispensed by the Duty Matron at meal times or as prescribed. Students who feel unwell should report to the Duty Matron.

A Hamilton dentist or orthodontist will be arranged if required.

All accounts will be sent directly to parents for payment.

DORMITORIES

All boys are allocated their own living space on a term-by-term basis. These decisions are made carefully by the Senior Master and are not altered without very strong reason. In term 4, the students may request who they would like to room with. This privilege will be removed for those boarders who have accumulated more than 5 dorm demerits over the first three terms.

STUDENTS SHALL:

- Shower daily and wash hair regularly
- Keep cubicles and wardrobes tidy
- Ensure bed is made prior to morning check-off and remains made throughout the day
- Pick up everything in dormitory corridors before lights out
- Ensure curtains are drawn, lights and music are switched off and windows are open prior to leaving rooms
- Put wet clothing and shoes or sport shoes in the drying room or laundry
- Be in bed at the allotted time and turn lights out at the correct time
- Ensure all items of value (wallets, watches, food etc) are kept locked away when not in use.
- Mobile phones are handed in each evening 15 minutes before lights out for Years 9-11 boarders.

STUDENTS SHALL NOT:

- Walk around the dorm after lights out. They may go to the toilet after 30 minutes has passed after lights out.
- Throw litter out of the windows.
- Hang clothing or towels on heaters or out of windows.
- **Use or store weights, cut hair or store sports equipment / bikes in rooms**
- Use torches or have lights on after lights out.
- Enter another boy's room/cube without permission and their presence.

Chewing gum is not permitted under any circumstances. A Community Service will be issued to any student that chews gum on-site.

Demerit points are issued by Dorm Leaders for misdemeanours in their dorm. 3 or more demerits in one term will result in a Community Service being issued.

DRESS & GROOMING

A. Boys wearing their regular school uniform when entering the dining room for breakfast and lunch, must make every effort to ensure that their uniform is clean and tidy at all times. It is expected boys wear their footwear correctly and have school uniform shirts tucked in and socks up or sandals worn with the backstrap buckled up. Failure to comply will result in a 'strike' to be recorded into Orah. A third strike will result in the Director of Boarding and Senior Master being issued a 'workflow notification' generated by Orah, as a prompt to issue the student with a Community Service.

This re-sets at the end of each term:

Consequences for a student failing to wear their socks up or have their shirt tucked in at morning check-off and/or in the dining room at breakfast and lunchtimes:

- **First strike** = Instant job, recorded in Orah, job as required e.g. put on a vacuuming

- **Second strike** = Instant job, recorded in Orah, job as required e.g. put on a vacuuming
- **Third strike** = Community Service, recorded in Orah, parents linked in to Orah-generated email.
- **Fourth strike** = Community Service, recorded in Orah, parents linked in to Orah-generated email.

Boys signing out for general leave when not in uniform must wear tidy casuals. Offensive language on any items of clothing or bags is forbidden at all times.

B. Boys wearing their Number 1s: (formal travel uniform i.e. blazer, black trousers, white shirt, tie) must ensure their top button is done up, their tie is pulled up to cover their top button, their black trousers are the regulation trousers (and are NOT tapered), they wear ankle length black socks and black shoes, are clean-shaven and their hair is a regulation cut and length (as per school policy) and they have all parts of their uniform on i.e. including their blazer.

If a student presents himself to the Duty Master and is not correctly groomed when he departs or returns from overnight and/or weekend leave, then he will be issued with a 'Hair &/or No.1s Dress & Grooming' strike, which will be recorded in Orah. This also includes the length of hair and the student having a Hamilton BHS regulation haircut.

Consequences: Three 'Hair &/or No.1s Dress & Grooming' strikes received over the whole year will result in the student being issued with a Community Service. A fourth strike will also result in a Community Service being issued.

Hair (when wearing No.1s AND in general around the Hostel):

If the student returns from ONL or WEL with a non-regulation haircut, OR his hair breaches the Hamilton BHS regulations over the course of the week when on-site, the duty master will issue a 'Hair' strike in Orah and place him on a Hair watchlist in Orah.

The duty master will then record the student's name on the masters' office whiteboard and inform him he has 24 hours to have his hair cut to the regulation standard of Hamilton BHS, otherwise a Community Service will be issued.

Consequences: Three 'Hair' strikes over the whole year will result in the student being issued with a Community Service. A fourth strike will also result in a Community Service being issued.

The student should/may consult Argyle masters who are Deans to determine what is acceptable if they are unsure, or their HBHS Tutor Teacher.

Hamilton BHS Hair Regulations – issued by the HBHS Deans & Pastoral Care Team:

Supporting Schools of Special Character

Hair is to be short, neat and tidy, of even length, following the natural hairline above the collar, ears and eyebrows (when straightened). Hair must not be braided, dyed, waxed, straightened nor be tied, spiked or cut with lines or ridges. Eyebrows may not be shaved. Sideburns must be horizontal cut and

may not grow below the midpoint of the ear. All students must be clean-shaven.

Parents seeking Cultural Exemptions of any type, must make an appointment with the Director of Pastoral Care and/or Deputy Headmaster by week 2 of Term 1.

Advice for Barbers: Students who would like a smooth transitioning “Fade” should request a “2-4 or 3-5 bracket fade” (2/3 on sides and back, smoothly transitioning to a 4/5 on top), or a 4-scissor trim fade”. **NOTE:** “Skin-fades” (ie. Shaved skin showing by ears and nape), “Mullets” and “Bowl cuts” are **NOT** allowed.

If students want to administer their own haircuts, then they can only be administered by Years 11-13 students, who have their own personal clippers and are reputable in administering a haircut that complies with the above school regulations.

The only place hair can be cut on-site is outside the laundry, with the concreted laundry area swept clear of hair afterwards. No haircuts are to take place indoors, in a Hostel bathroom or Unit. Non-compliance will result in a Community Service being issued.

DUTIES

To assist with the smooth running of the Hostel, all boys take their turn at a number of minor but important duties. Boarders are rostered on one of a range of jobs for a period of one week. This includes senior students being responsible for the cleanliness of the senior lounge and outdoor area.

Years’ 9 and 10 complete a large proportion of the jobs on the roster. Years’ 9 and 10 boys’ complete jobs every second week and are checked off by the Duty Prefect.

The Duty Prefect will rate students 1-4 on job performance, attendance and log this on Orah. Patterns of boys causing concern will be identified and appropriate follow-up actioned.

DUTY MASTER

A Duty Master is present in the Hostel at all times excluding 8.30 am – 3.15 pm (8.30 am – 2.15 pm Thursday) school hours. Their key responsibilities include managing daily routines, the pastoral care of boarders, communication between families and the Hostel and knowing the whereabouts of all boarders at all times.

DUTY MATRON

The Duty Matron is available to attend to boys in her office at the following times:

Week Day Matron Hours:

Monday – Thursday 7.00 – 10.00 am, 3.00 – 9.00 pm

Friday 7.00 – 10.00 am

Sunday 6.00 pm – overnight

Weekend Matron Hours:

Friday	2.00 – 6.00 pm	
Saturday	7.00 – 10.00 am	3.00 – 9.00 pm
Sunday	8.00 – 10.00 am	3.00 – 6.00 pm

Boys' are not to visit the Senior Matron at her home unless they have permission from the Duty Master.

What happens if a boy becomes unwell when at school between the hours of 9.00am – 3.00pm?

If a boy is unwell while at school, he must report to the School Health Centre. The school nurse will contact the Hostel Administrator between 9.45 am – 3 pm Mon, Tues, Wed; and Friday and 10 am – 2.00 pm Thursday, to inform her that the boy is ill and will come over to the Hostel to her and placed in the Hostel Sick Bay.

Under no circumstances must a boy return to the Hostel when ill before first reporting to the school nurse. The boy will be monitored throughout the day by the Hostel Administrator until 3pm Mon, Tues, Wed and Friday and 2.00 pm Thursday, when the Weekday Matron comes on duty.

In all circumstances, the HBHS Nurse will contact the Hostel informing them a student has fallen ill in class. The boy will be escorted over to the Hostel and met by the Hostel Administrator (or Matron). The boy will be assessed and placed in the Hostel sickbay. The boy's caregivers are contacted by the Hostel Administrator (or the Matron), to inform them their son has fallen ill and is in the Hostel sickbay. A plan of action is then determined between the caregiver and Hostel, based on the assumed level of illness.

What happens between the hours of 9.00am – 3.00pm when a boy is in the Hostel sickbay and another Hostel student is injured at school requiring medical treatment i.e. X-Ray, and the Hostel Administrator needs to accompany him to A & E?

The Hostel Administrator will call the off-duty Matron to inform her that a student is currently in sickbay so she can be available to monitor him while the Hostel Administrator is off-site with the injured student at A & E. The Hostel Administrator will contact the parents of the sick boy.

What happens between the hours of 9.00am – 3.00pm when a boy becomes unwell at school and the Hostel Administrator is absent from work that day?

The school nurse must keep the boy at the HBHS sickbay until the Duty Matron comes on duty. The School Nurse will contact the caregivers of the sick boy.

What happens between the hours of 9.00am – 3.00pm when a boy is injured requiring medical treatment i.e. X-Ray, needs to go to A & E and the Hostel Administrator is absent from work that day?

The HBHS Nurse will contact the off-duty Matron who will either come in and take the boy to A & E herself or organise a relief person to take the boy to A & E e.g. Weekend Matron. The Matron or relief person will contact the parents of the sick boy.

Booking non-emergency appointments for boys e.g. physiotherapists.

In the first instance, all boys will be referred to the school physiotherapist, as they are free of charge and are on-site so the boys will only be out of class for a minimal time. N.B. One of the main reasons the physios are now on site at HBHS was due to the excessive time boys were out of class at off-site appointments.

If a caregiver requests a non-emergency appointment for a practitioner off-site e.g. physio, osteopath, doctor, dentist, then the caregiver must communicate with the Matron who will coordinate the appointment so it is completed within the timeframe of the Matron's and Hostel van driver's hours of duty.

DUTY PREFECTS

The Duty Prefects' and Senior Leaders' role is crucial to the smooth running of the Hostel. They assist the Duty Master at meal times by making sure Dining Room procedures are followed, complete an attendance roll on Orah and ensure jobs are completed properly after meals which they will also log on Orah afterwards. They also set a good example to their peers in terms of behaviour and attitude.

E

EMERGENCY CONTACT

If the parents or the immediate caregivers are away or not contactable, please notify the Hostel of an alternative contact person.

EMERGENCIES e.g. Evacuation, Lockdown

There are a clear set of procedures that have been established as part of the Argyle House Emergency Management Plan, for all staff and boys to follow in the event we need to evacuate or lock down the Hostel. This EMP was designed and implemented by 'Harrison-Tew' a company that specialises in setting up school and Hostel Emergency Management Plans.

Drills for both Evacuation and Lockdowns occur during the year, both at the school and Hostel.

NOTE: Any boy who falsely sets off a fire alarm switch, damages a heat sensor or sets off a smoke alarm will be charged for the fire brigade call-out (approximately \$1500) and may face prosecution by the Fire Service.

ELECTRICAL APPLIANCES

Electric blankets, bedside lamps, hair straighteners, television sets **are not to be used** in the Hostel. All electrical appliances such as a multi-plug and fan **must have a compliance certificate attached** *(this can be arranged through the HBHS test and tag operator at a small cost that is charged to the boy's parents school account)*

EXAM PREPARATION

During periods of exam leave from school, Hostel students must comply with the rules for exam preparation. Clear expectations will be published on the digital television screens (Hostel reception and Hostel dining room) and distributed for parents via email. Hostel staff will supervise Years' 11-13 boys' in the Prep Room

from 9-10.30 am, 11-12 pm each weekday, during the Study Leave period for those that opt to stay in. Any boy distracting or disturbing others during this period may be asked to leave the Hostel, study at home and commute in for their exam.

F

FEES

See payment of fees. (See page 43)

FIRE ALARMS

The Hostel alarms are connected directly to the fire brigade. If you discover or accidentally start a fire, clear the area and inform the Duty Master or Matron immediately. For boy's that set off a smoke detector through negligence e.g. excessive use of deodorant spray, not opening bathroom window when having a shower, will be asked to pay for Wormald to re-set the alarm sensor.

FUNDRAISING

There is no regular programme for fundraising. However, mufti weekend leave sign outs occur at least once a term. A gold coin donation is given to the Duty Master when they sign out in mufti and again when they sign back in on a Sunday evening. Funds raised go towards various causes e.g. cancer charities, gifts for staff leaving.

G

GAMES ROOM

The Hostel has a games room where all students may play table tennis, pool, board games or recreation games of their choice. The spacious room is open to all Years' 9-11 boys during free time.

GROVE HOUSE

Situated on Peachgrove Road and housing 27 Year 13 students, Grove House provides an alternative living environment for senior boarders. Accommodation at Grove House is based on an application and interview, where required, as well as a record of good behaviour at Argyle House in their Year 12 year. Three staff reside at Grove House: the Grove Master and two Grove Assistant Masters.

GYM ATTENDANCE

Students may join gyms that are within walking distance of the Hostel, but parents must request permission from the Director of Boarding. Attendance times must fit in with the Hostel routine and not cut across meal or prep times.

There is currently an Argyle Gym Club (AGC) run by a number of Argyle and Grove staff 5 times a week which is held at the HBHS Fitness Centre and is free of charge to use. Boys are supervised at all times.

H

HOSTEL COMMITTEE – see page 6 - (Board of Trustees)

HOSTEL HIRE

Part of, or the entire Hostel is available for hire during holiday periods. Anyone wishing to make a booking should contact the Hostel Administrator by email. Boys must take all personal items home with them at the end of every term. International students may request to bag up and leave some of their bulky items in the storage shed closest to the bike shed.

HOSTEL SOCIALS AND SPORTS EXCHANGES

Each year the Hostel has exchange activities with Sonninghill Hostel, the Hostel at Hamilton Girls' High School. Activities include a Year 9 Tabloids evening, Speedchatting, Dinner Swaps, Social, Quiz night, 10-Pin Bowling.

HOSTEL REPORTS

A formal written report is available to the parents of all boarders once a year (Term 4). This report reflects general behaviour, co-operation, social adjustment and study habits and can be accessed through the HBHS App Parent Portal.

An interim report for all new Boarders (End of Term 1), is also available to parents and can be accessed through the HBHS App Parent Portal.

HYGIENE

A high standard of hygiene is expected from all boarders. Please ensure that your son is fully instructed and equipped with basic hygiene requirements.

I

INTERNET

All Hostel computers are connected to the Internet through the school network system. An individual device can access the Internet using the Wi-Fi network. Each student has their own wi-fi password, which they will receive during their first week of school. This login and password is the same one the school issues them with, which they will use to login to the device when at the Hostel.

INSURANCE

It is important that parents have adequate insurance cover on their son's personal effects (including bikes) as these are not covered by Hostel insurance.

J

JEWELLERY

A wristwatch and/or medical bracelet may be worn. Rings and earrings may not be worn and necklaces, including cultural items, must not be visible when in uniform.

JUNIOR TV LOUNGE

This space is a quiet recreation room for all boys adjacent to the Dining Room. It contains a large television and couches. Students can watch SKY television, listen to music or read. No food or drink is permitted in the lounge area

JURISDICTION OF THE HOSTEL

The jurisdiction of the Hostel applies to all official Hostel outings and to wearing school and travelling uniform in town. Students both in and out of school and travelling uniform represent our community. Accordingly, we expect a high standard of behaviour while under our care. Any incident occurring off-site while under the care of the Hostel, will be dealt with as a Hostel incident e.g. shoplifting, vaping in town, getting into a car of someone with a restricted license, changing into mufti when on weekday town leave.

L

LAUNDRY

Boys' laundry needs are taken care of by the Laundress who operates during the week.

It is Hostel policy that all boys make use of a **wash net bag** for underwear and socks and have a **linen bag** for dirty linen to be kept tidy prior to washing.

Daily procedures for laundry are displayed in dormitories and in the laundry.
(Also see Linen Change and Lost Property (page 39))

LEAVE

WHEN APPROVAL IS GIVEN BY THE HOSTEL, FOR LEAVE AT ANY LEVEL, AN AGREEMENT THAT IS BASED ON TRUST IS ENTERED INTO BETWEEN THE BOARDER AND THE HOSTEL. WE TRUST THAT HE WILL GO TO THE DESIGNATED PLACE.

BREACHES OF TRUST WILL BE VIEWED VERY SERIOUSLY

By signing a boarder out on leave, the parent, guardian, or host, releases the Hostel of its responsibility for the boarder. Both the boarders' parents and the host parents have a legal obligation to ensure there is responsible adult supervision for boarders at all times when on leave.

On Duty Hostel Staff must be aware of the movements of all boarders. This is both a safety precaution in the event of a fire, and an essential part of the Hostel being able to fulfil its obligation to parents by keeping boys' safe and well.

All boys must sign out with the Duty Master via Orah before leaving the Hostel boundaries. This includes all leave, every day of the week. Boys must also sign back into the Hostel immediately on arrival.

All Boarders' leave is a privilege, not a right, and is granted with careful consideration. The Director of Boarding reserves the right to withdraw leave at any time if behaviour, communication or procedures are an issue.

ABSENCE WITHOUT OFFICIAL LEAVE (AWOL)

Students are considered AWOL when they leave the Hostel boundaries without first following the above procedure. Students will be considered AWOL if they are more than 15 minutes late back from requested day leave and 30 – 60 mins late back from weekend or overnight leave. At this stage, we will invoke the following procedure.

PROCEDURE IF A STUDENT IS CONSIDERED AWOL:

- Check expected time of return – where he was going and with whom.
- Check mode of transport.

- Phone students cell phone. Number is kept under the Masters' PC at Hostel reception.
- Duty Master to ask friends of the student if they know of his whereabouts.
- Director of Boarding to be notified and briefed on situation.
- Check the circumstances having done all the obvious checks; decide in consultation with Director of Boarding who will inform the parent / guardian of the absence. This will occur as soon as possible.
- At this point if the student / students have still not returned, phone the parents to alert them of the situation.
- If no lead and after consultation with the parents, the Police may be brought in at this point. Police do not usually consider a person missing for 48 hours but may be alerted to the situation.
- Set up a time frame for reporting back to the parents.
- Talk to students as a group. The student's peers will often report interesting information that can provide a lead.
- Director of Boarding, Headmaster and parents to meet to ascertain situation and plan.

Weekend Leave

1. Students may have leave on any weekend they choose unless they are gated.
2. **All boarders travel in the approved travel uniform.**
Saturday Sport:
 - If you sign out before your game you wear mufti, but you must take your travel uniform – your number 1s.
 - If you return to the Hostel after your game, you must sign out in travel uniform – your number 1s.
3. ALL students requesting weekend leave must advise their parents to fill out the required form on Orah. This is then automatically sent to the Duty Master/Hostel Administrator for approval. When approval is given, an Orah approval message will be sent to parents.
4. Weekend leave can only be authorised by the Director of Boarding and Hostel Administrator.
5. **Early leave**, in which boys will miss more than one day of school, cannot be granted without permission from the Headmaster. Email requests for more than one day of leave made to the Hostel will be forwarded to the Headmaster for approval. The email is: headmaster@hbhs.school.nz. Parents may phone or write to the school Headmaster directly. The Headmaster will notify the Hostel if the leave is approved.
6. Boys must sign out with the Duty Master in full travel uniform – number 1s.
7. All boys must have signed back into the Hostel by 7.30pm on Sunday night, ready to commence a session of prep at 8.00pm. Any late change in plans must be communicated to the Duty Master via telephone, email or on Orah.
8. In special circumstances, approved in advance, boys may return on a Monday morning prior to 8.00am.

<p>Weekend leave will only be granted on receipt of a Orah request written by a parent or caregiver. Phone leave requests are not acceptable. Orah requests only.</p>
--

Overnight Leave

Overnight leave may be requested by any boy for leave from the Hostel on either Friday or Saturday night.

1. Year 9, 10 and 11 boys must use the same procedure as for weekend leave above, but this is optional for Year 12 and 13 boys.
2. Overnight leave can be authorised by the weekend Duty Master for Year 12 and 13 boys on a Friday or Saturday night, but only after a parent or caregiver has given consent by submitting an Orah request.
3. An agreed return time is recorded for the following day.
4. Boys are only allowed one overnight leave per weekend.
5. Boys sign in, in mufti, if they return from overnight leave between 10.00 am – 12.00 pm (Saturday morning/Sunday morning). If they return after 12.00 midday, they are to sign in, in their travel uniform – number 1s.

Any request for overnight leave during the school week must be authorised by the Director of Boarding. Written parent consent is required and will be approved/declined on a case-by-case basis. Prep/Study for the boys will always be the priority.

Return after leave

Parents are reminded that boarders return by 7.30 pm after weekend leave.

If a student on weekend leave is delayed beyond 7.30 pm, or is not returning, the Hostel should be advised **by parents** before 7.30 pm, by phoning or emailing the Hostel office: argyle@hbhs.school.nz. Changes to arranged leave cannot be altered or edited on Orah once leave is underway.

Parents who come into Hamilton on a Monday morning may return their son by 8.00am.

If your son returns by bus to Hamilton Central bus station during the weekday school hours of 9.30am – 3.00pm Mon-Wed, Fri and 9.30am – 2.00pm Thurs, he must return to the Hostel in a taxi paid for by the family. The Hostel does not run van pick-ups during school hours. A taxi stand is at the bus station for your son's convenience to enable him to return to Argyle House.

Leave dress

Students leaving the Hostel wear travel uniform or dress approved by the Duty Master who has the authority to ask a boy to change if he decides his dress is unsuitable. Students returning to the Hostel after leave are expected to be dressed to the same standard.

Boys wearing their Number 1s (formal travel uniform i.e. blazer, black trousers, white shirt, tie) must ensure their top button is done up, their tie is pulled up to cover their top button, their black trousers are the regulation trousers (and are NOT tapered), they wear ankle length black socks and black shoes, are clean-shaven and their hair is a regulation cut and length (as per school policy) and they have all parts of their uniform on i.e. including their blazer.

If a student presents himself to the Duty Master and is not correctly groomed when he departs or returns from overnight and/or weekend leave, then he will be issued with a 'Hair &/or No.1s Dress & Grooming' strike, which will be recorded in Orah. This also includes the length of hair and the student having a Hamilton BHS regulation haircut.

Consequences: Three 'Hair &/or No.1s Dress & Grooming' strikes received over the whole year will result in the student being issued with a Community Service. A fourth strike will also result in a Community Service being issued.

General leave

General leave (aka Town or Dairy Leave) is from the close of school, 3.15 pm (2.15pm Thursday) until 5.15 pm at the latest, and is issued from the Masters Office via Orah, usually on an iPad.

General leave is granted to enable boys to go to town or the dairy. Years 9 – 12 must wear school uniform during the week. Year 13 and Year 12 Leaders may wear tidy casuals. On a Friday those boys staying in the Hostel on Friday night may wear tidy mufti into town.

Boys are restricted to the number of General leaves they are allowed during the week and weekend so good judgement and planning is important. Once the allocated number of leaves has been used up boys' will not be allowed to sign out for general leave.

Late back from Leave: if late returning from town after 5.15 pm, then the boy is given a job and "late back from general leave" is recorded on Orah. 2nd time late results in a Community Service.

In the weekend, the maximum time a boarder can take leave into town is 4 hours.

Years 9 and 10

2 week-day and 2 weekend leaves.

A minimum of two boarders (Year 9 – three) must be planned to leave site together before general leave will be granted. This is a safety issue.

Years 11, 12 and 13

3 week-day and 2 weekend leaves.

Prefects and Leaders

No limit to leaves taken.

Sports Leave

Any student involved in co-curricular activities must check out with the Duty Master using Orah. This includes tutoring, all sports practices/games, tennis/cricket nets, music lesson, Kapa Haka, Whanau Support Evenings, physio, doctor/dentist appointments, cycling, gym and jogging.

Early Morning Sports Leave

Students must sign out the night before between 8.00 pm and 8.30 pm with the Duty Master.

Boys not signing in from early morning sports leave will have their early morning sports leave withdrawn for one week.

Individual/Non-organised trainings: boys to be ready at 7.30 am check-off (Dorms 1-4) or 7.55 am if residing in the senior units.

Team/Organised team trainings: 1st XV/2nd XV trainings finish no later than 7.45 am, boys are to return immediately instead of shooting hoops

Shower on return, room ready for check-off at 8.10 am, must be at breakfast by 8.15 am otherwise turned away. Breakfast servery vertical slide to be pulled down at 8.15 am.

Study Leave

Senior boys, with permission from their parents, may return home during periods of designated school study leave. Those that opt to remain in must adhere to the structured study routine that takes place in the prep room each morning.

Dinner Leave

This is for special occasions and may be granted by the Duty Master provided the boy is not gated. Duty Staff must be satisfied that it is to an approved person's place and parent consent has been given.

During the school week, dinner leave is usually granted only if a boy is to be with his parents or immediate family.

All boys must return and sign-in with the Duty Master 30 minutes prior to lights out during the weekend and before the first session of prep (7pm) during the week.

Weekend Full Day Leave

During the weekend a boy may take leave for the entire day to visit family or friends on the approved visiting list, or when picked up and taken out by family or friends. He must return and sign-in with the Duty Master 30 minutes before lights out during the weekend.

The maximum amount of time a boarder can take leave to town is 4 hours.

Early Leave

The procedure for leaving during a school day when no Duty Master is around Argyle House is as follows:

Written consent must be received by the Hostel Administrator or Director of Boarding outlining the reason for early leave. **For absences, longer than one day, approval must be granted from the Headmaster.**

- All gear required from the dorm is packed and left with travelling uniform in the Matron's office before school.

- Matron will issue the boarder with an 'Early leave' slip she has recorded the relevant early leave details on.
- When it is time to leave school, the boy must sign out from school through the Dean's Office.
- The boy returns to the Hostel, checks in with the Duty Matron/Hostel Administrator, who will open Matron's office to enable the boy to get changed into travel uniform and pick up his belongings.
- The Duty Matron/Hostel Administrator will sign the boy out in the Master's diary and on Orah.

Evening Leave

Leave may be taken by Years 11, 12 and 13 boys on Friday and Saturday nights between 6.00 pm and 9.30 pm. Such leave is for recreational activities that might include the movies, 10-Pin Bowling, Waterworld etc.

Boys must plan travel arrangements in advance with email request or an Orah request to be received in advance. The Duty Master has the discretion to cancel leave if he is not satisfied.

Church Leave

Boarders are free to attend church services of their choice. Tidy casuals are to be worn and normal check out and in with the Duty Master applies.

Other leave

If students wish to visit places other than their own home, it is the parent's responsibility to contact the people concerned and advise the Hostel.

Orah is the Leave Software that the Hostel introduced in September 2015 to streamline and digitise all leave and pastoral processes in house.

It is an online application that lets students sign themselves out for morning and afternoon leave, and parents submit weekend and overnight leave for their sons.

It also provides a real-time record of every boy's location via iPads and the Leave Board in the Duty Master's office, administered by Katrina McLaughlin, the Matron and the Duty Master.

Signing up to Orah

- Email invitations have been sent out to all parents of current boarders to connect on Orah. Please open the email, click on the appropriate link and fill out the details as required.
- Parents will be able to view the leave and pastoral history of their son, as well as fill out a drop-down form for weekend or overnight leave which is then sent via the app to Hostel duty staff.

Leave that parents must submit

- **Overnight Leave:** This leave needs to be completed to allow your son overnight leave between Monday-Thursday.
- **Weekend Leave:** This leave needs to be completed if your son needs overnight leave at any time during the weekend, Friday – Sunday.
- Leave is then checked and approved, and a confirmation is sent back to the parent.
- It will then be in the system and your son can be signed out by the Duty Master at the time of departure.
- If any details are missing or incorrect, you will be asked to resubmit or amend that requested leave.

Procedures to ensure accurate meal counts each weekend

- Since term 4 2019, a new Weekend Leave Event in Orah was created. **You will now be required to OPT IN or OPT OUT of Weekend Leave before midnight Thursday of each week.**
- You will receive a prompt on Wednesday and Thursday afternoons to remind you to get the leave in on time.
You will complete the weekend leave as per normal, but it is now through the **Event Pass** instead of individual weekend leave.
We are doing this to streamline the process of leave and make catering numbers easier and more accurate for the kitchen to calculate in advance.
If family circumstances change suddenly after midnight Thursday, and your son requires leave, then please use the **Special Request Leave**.

Leave that students must submit

- **Morning Leave:** Students need to sign out for morning leave the evening before.
- **School Leave:** Students must sign out of the Hostel on departure to school and sign in on return to the Hostel after school.
- **Sports Leave:** Students sign out for sports leave as they leave the Hostel (unless it is in the morning, in which case morning leave applies).
- **Town Leave:** Students have a limited number of times that they can sign out to town in the afternoons and weekend. They sign out as they leave the Hostel.
- **Other Leave:** Students sign out for other leave such as physio appointments and family functions, as they leave the Hostel.

For any extraordinary circumstances, please email the Hostel argyle@hbhs.school.nz

Any Orah queries or questions should be referred to Orah via your Orah login or contact Argyle Master, Mr Luke Katene lkatene@hbhs.school.nz.

Any updates to email addresses need to be sent to argyle@hbhs.school.nz

LIBRARY

Students are encouraged to become members of the town library, but may find the school library more accessible and practical.

LINEN CHANGE

Every Wednesday at 7.00 am boys will be given an early wake up call to complete their linen change. They must return all towels, sheets and pillowslips to the laundry where they will receive new linen and be checked off by the Duty Master. Any boys who will miss Wednesday linen change due to morning sports leave must take the responsibility to complete their change the previous evening.

LOCKABLE CUPBOARDS

Boys have a lockable space in their room/unit. Boys must provide their own lock and look after the keys. Security is an individual responsibility and valuable items should remain locked away at all times. The Senior Units have a combination lock built into their wardrobe door. The boys can determine their own code.

LOST PROPERTY AND UNNAMED CLOTHES

Every effort is made to locate lost or mislaid property ***that is named and numbered***. Students fill out a lost property form that is held on file. Unnamed clothing presents a problem of ownership and encourages theft. As well as machine-sewn nametapes, students are encouraged to number all clothing with an indelible pen (Black Sharpie pen) recording their Hostel laundry number and name initials.

Any unclaimed items of property are donated to a charity at the conclusion of each term.

Clothing items left lying around the Hostel (inside and out) or hanging off window latches to dry will be impounded. It will cost the student 50c to retrieve impounded items.

LUNCH

12.30 – 1.10 pm (5 days per week)

Thursday's 12.40 – 1.20 pm

Sunday's Brunch 10-30 – 11.00 am

It is a Senior privilege for Year's 12 and 13 only to sit in the foyer and Junior TV Lounge after lunch has finished. NO food is to be eaten in these areas. If abused, the privilege will be lost for one week. Boys must be gone by 1 pm Monday, Tuesday, Wednesday and Friday and 1.10 pm on a Thursday.

Boys needing to use the toilet at lunchtime must use the Domestic Wing toilets. The other two toilets close to the kitchen are for staff so are locked at all times.

M

Maintenance requests can be submitted on the HBHS Intranet, which the HBHS Property Manager receives each morning.

MEALS

- All meals are compulsory for all boys who do not have leave (whether they intend to eat or not). These times are used as roll calls, so all boys must report to the dining room. Parents will be notified by email by the Duty Master if a boy chooses not to eat his evening meal (due to eating a takeaway meal in town).
- Students to be dressed tidily and wear footwear to all meals.
- Noise is to be kept to a minimum during meals.
- **No crockery or cutlery is to be removed from the dining room.**
- **Food and drink is to be consumed in the dining room including afternoon tea.**
- Walking around the dining room during meals or leaving the dining room for phone calls or visitors is not permitted.
- Students requiring late meals must apply on the appropriate sheet outside the Masters' Office. Permission for saved meals is at the discretion of the Catering Manager / Duty Staff.
- Afternoon tea and supper is available for all students in the main dining room.
- Morning tea is collected from the kitchen servery 8.00 a.m. each morning during the week.

MINI BUS (Van)

The Hostel mini bus (Van) is owned by Argyle House and is used for boarders commuting in or about Hamilton. The mini bus is used to transport boys to and from medical appointments, A & E, sports practises, music lessons, tuition and to recreational facilities. It is also used to drop boys off and pick them up from the bus depot preceding or following weekend leave.

Priority is given to boys attending an HBHS commitment.

Travel to and from weekend sport is excluded and is the responsibility of the students and their families.

Boys must book the mini bus using the booking sheet inside the Hostel Office prior to 1pm on the day of travel.

The mini bus only operates within a broad area within Hamilton city. If the mini bus is not available, a taxi is to be used at the boarder's expense.

PREP

The Prep room is open at the following times:

Monday – Thursday	5.00 pm – 9.30 pm
Friday and Saturday	6.00 pm – 9.30 pm
Sunday	12 noon – 3.00 pm

Prep is a very important part of hostel life and is valued as an essential time in the day of a boarder. Prep, under the direct control of the Director of Boarding, is **compulsory** for all year levels and is divided into two sessions from Monday to Thursday.

When giving permission for outside activities, we ask that parents remember that in general, we expect students to be in attendance and reserve the right to monitor the activities of those who encroach on this time. If students are absent from prep we expect them to complete work after school (i.e. early prep).

Major and Minor Master Responsibilities in Prep:

- Student diaries for all Years 9 and 10 are to be checked by the Dean of Boarding once a fortnight. The Dean of Boarding will check these while on Duty. Diaries are compulsory for Year 9 and 10 Hostel Students
- Year 11, 12 and 13 students' academic performance is to be monitored by the Dean of Boarding. As we no longer have tracking folders this will be through KAMAR.
- The Master on Duty in each space will move around the Dining Room/Prep Room to ensure boys are on task.
- The Master on Duty to ensure the seating plan established by the Dean of Boarding is adhered to, including boys identified as being “at risk”. Reinforce this with a Prep Strike. Currently, we only have a seating plan for the Year 11s.

Year 13 Grove Student Responsibility:

- Year 13 students rostered on must arrive ready for duty at 6.55pm in the Prep Room and remain until the end of the first session of prep, at which time they will assist with supper in the Dining Room.
- To move around the Dining Room/Prep Room to answer any questions and to support the Duty Master by ensuring the boys are on task.

Assistant Master Responsibility:

- To move around the Units and answer any questions supporting the Duty Master by ensuring the boys are on task.

Misuse of Prep Time for Years 12 & 13

A 3-strike policy is in place for Year 12 and 13 students residing in Argyle House who are not meeting their Prep requirements during set Prep hours.

Behaviour deemed to result in a 'strike': e.g. out of their seat, off-task, phone being used without the permission of the Major, Minor or Assistant Master, disrupting others in the room, lying on their bed.

Strike 1: Sent to Dining Room for the remainder of that evening, plus all sessions the following evening.

Strike 2: Sent to the Dining Room for one week.

Strike 3: Remain in Dining Room for the remainder of the Term

- Each strike is recorded in Orah.
- A clean slate occurs at the end of each term.
- If caught on their phone and/or receiving/replying to notifications then the student will be issued with a Prep Strike and will also lose their phone for:
 - 24 hours: First offence in one term.
 - 48 hours: Second offence in one term
 - 7 days: Third offence in one term + Community Service.
 - 2 weeks: Fourth offence in one term + Community Service.

If further misbehaviour occurs once sent to the dining room this will result in a Community Service.

Additional Information

- When the above tasks are complete, boys may read quietly, work on any of the life skills tasks posted on the Argyle House Google Classroom, or complete their well-being check on Orah
- Eating and drinking in prep is not permitted, other than water.

- If a student has school work on his phone e.g. photo of homework, he must request permission from the Assistant Master to use his phone during prep.

END of Prep Procedures

PRIVATE BANK ACCOUNTS

All students are advised to have EFTPOS cards.

It is advised that students who have possession of cash greater than \$20 should have the Matron lock it away until it is required.

PREFECTS & SENIOR LEADERS

A Head Prefect and two Deputy Head Prefects (all Year 13) will lead the student leadership team. It is likely these students will reside at Grove House. They will be supported by three other Year 13 Senior Leaders in the roles of Head of Bennett House, Head of Sutherland House and Head of Grove. A group of eight Year 12 Prefects will complete the 14-man strong senior leadership team.

Applications for these 14 senior leadership roles are sought in October each year, with interviews held for each applicant in the presence of the Director of Boarding and Senior Master. Appointments are discussed with the Masters and Headmaster before an official announcement occurs after the Argyle Prizegiving each year.

Q

QUESTIONS AND QUERIES

Questions and Queries are always welcome and should be directed to the **Director of Boarding**.

R

RADIOS / HEADPHONES and BLUETOOTH SPEAKERS

1. All radios, headphones and Bluetooth speakers **must** be named clearly with the owner's name. This is essential to prevent items being "borrowed" without permission or returned to the wrong person.
2. Students must take a sensible and respectful approach to the amount of volume used. It is not Ok to have a loud 'base' thumping out from buildings and disturbing other boarders and/or neighbouring residents.
3. Staff reserve the right to confiscate Bluetooth speakers that are not used within the guidelines. They will be kept in the 'Confiscation Cupboard' in the masers' office.
4. **Radios and Bluetooth speakers are a privilege not a right.** Student responsibility is expected.

REFERENCES

Year 12 or 13 students may apply to the Dean of Boarding, Senior Master, Director of Boarding or Hostel Master for a reference from the Hostel.

REWARDS

On a term-by-term basis, boys who display exemplary personal standards of discipline and accountability are rewarded with small acknowledgements of appreciation from Hostel management. This includes Dorm Leader's for their term's service, Year 12 Prefects and Year 13 Senior Leaders, usually with an all-you-can-eat meal at a local restaurant e.g. 'Gengy's'.

Dorm Leaders are rewarded with a 'Chip Night' each month.

Boys that are issued up to TWO demerits in one term, e.g. dorm related, received during prep, grooming and uniform related, meet the minimum reward eligibility criteria to attend a trip to the movies as reward for good behaviour. Anyone that has received more than 2 demerits, or been Gated, received a Community Service and/or a Stand Down are ineligible.

S

SCHOOL HOLIDAYS

The Hostel closes at 5.30 pm on the last day of each term. As the Hostel is often hired out during the holidays, all personal belongings are to be taken home. On the final day of Term 4 the Hostel closes at 2.30 pm.

SECURITY

In a boarding situation where there are a lot of people, individuals need to be aware of the importance of taking care of their own property. Every student in the dormitories and units has a lockable cupboard. Security of possessions is the responsibility of the student who should keep items of value locked at all times and carry the key. Boys must make sure everything is named and is not left lying around. The practice of 'borrowing' other people's property without their permission is not tolerated and will be given a serious consequence.

SECURITY CAMERAS

Argyle House has a number of security cameras installed and operating 24 hours a day. These cameras provide a further layer of protection and security for boarders' and Hostel property.

SENIOR LOUNGE

Use of TV Rooms & Lounges by Seniors:

- The Senior Lounge is only available for Years 12 and 13 students.
- All Year 11s in both the dorm block and units must watch TV in the junior TV lounge.
- Year 12/13s may also watch TV in the junior TV room, with the juniors having control over the programme content in the junior TV room.
- All Year 11s in the Units and Dorm block can play table tennis and pool in the junior games room.
- The senior lounge is out of bounds for all Year 11s.

SET LEAVE WEEKENDS

The Hostel closes from 5.30 pm Friday to 5.30 pm Sunday, approximately twice per term. These are designated set leave weekends and parents/caregivers should request set weekend leave through Orah. Students returning to the Hostel after

set leave need to arrange their own evening meal before leaving home. See the Argyle House Calendar for details.

SICKNESS

The Hostel has a sickbay where students are cared for, for up to 24 hours. Illness of a contagious nature requires immediate departure for home. Parents will be contacted immediately if the Duty Matron considers it necessary.

Boys may not remain in bed in their dorm if they are unwell; to ensure proper care and prevent the spread of illness, they must go to the Matron.

To confirm an illness, in the event of an epidemic, we would contact the medical officer of health and follow the advice given.

Boys who have been admitted to the sick bay will NOT be permitted to sign out of the Hostel for either Sports or General leave later in the day/evening.

What happens if a boy becomes unwell when at school between the hours of 9.00am – 3.00pm?

If a boy is unwell while at school, he must report to the School Health Centre. The school nurse will contact the Hostel Administrator between 9.45 am – 3 pm Mon, Tues, Wed; and Friday and 10 am – 2.00 pm Thursday, to inform her that the boy is ill and will come over to the Hostel to her and placed in the Hostel Sick Bay.

Under no circumstances must a boy return to the Hostel when ill before first reporting to the school nurse. The boy will be monitored throughout the day by the Hostel Administrator until 3pm Mon, Tues, Wed and Friday and 2.00 pm Thursday, when the Weekday Matron comes on duty.

In all circumstances, the HBHS Nurse will contact the Hostel informing them a student has fallen ill in class. The boy will be escorted over to the Hostel and met by the Hostel Administrator (or Matron). The boy will be assessed and placed in the Hostel sickbay. The boy's caregivers are contacted by the Hostel Administrator (or the Matron), to inform them their son has fallen ill and is in the Hostel sickbay. A plan of action is then determined between the caregiver and Hostel, based on the assumed level of illness.

What happens between the hours of 9.00am – 3.00pm when a boy is in the Hostel sickbay and another Hostel student is injured at school requiring medical treatment i.e. X-Ray, and the Hostel Administrator needs to accompany him to A & E?

The Hostel Administrator will call the off-duty Matron to inform her that a student is currently in sickbay so she can be available to monitor him while the Hostel Administrator is off-site with the injured student at A & E. The Hostel Administrator will contact the parents of the sick boy.

What happens between the hours of 9.00am – 3.00pm when a boy becomes unwell at school and the Hostel Administrator is absent from work that day?

The school nurse must keep the boy at the HBHS sickbay until the Duty Matron comes on duty. The School Nurse will contact the caregivers of the sick boy.

What happens between the hours of 9.00am – 3.00pm when a boy is injured requiring medical treatment i.e. X-Ray, needs to go to A & E and the Hostel Administrator is absent from work that day?

The HBHS Nurse will contact the off-duty Matron who will either come in and take the boy to A & E herself or organise a relief person to take the boy to A & E e.g. Weekend Matron. The Matron or relief person will contact the parents of the sick boy.

Booking non-emergency appointments for boys e.g. physiotherapists.

In the first instance, all boys will be referred to the school physiotherapist, as they are free of charge and are on-site so the boys will only be out of class for a minimal time. N.B. One of the main reasons the physios are now on site at HBHS was due to the excessive time boys were out of class at off-site appointments.

If a caregiver requests a non-emergency appointment for a practitioner off-site e.g. physio, osteopath, doctor, dentist, then the caregiver must communicate with the Matron who will coordinate the appointment so it is completed within the timeframe of the Matron's and Hostel van driver's hours of duty.

SKATEBOARDS & LIME SCOOTERS

Skateboards and Lime Scooters are banned from the Hostel. They cannot be used on site and they are not a permitted form of leave transport, due to the damage they cause to the interior and exterior of buildings, seats and paved areas.

Grove boys (Year 13) may use a skateboard or scooter to get to and from Argyle, but must leave in the Matron's office when arriving for dinner or lunch on Saturday/Sunday. They are not to be used around Argyle under any circumstances, so are for to and from Grove. This is a privilege. If abused the scooter/skateboard will be confiscated.

SPORT AND RECREATION

Students are encouraged, with written consent from their parents to join in all school activities, outside clubs, and cultural groups. A list of activities is included in the Prospectus and assistance in making choices is given to new entrants.

A co-curricular survey is completed each year to highlight those boys with minimal involvement. They are then directed to the Master in charge of that year group so they can have a 1 on 1 with the in-active student to encourage him to get involved in the HBHS co-curricular programme.

STATIONERY

Students can purchase stationery at school or in town.

An EFTPOS machine is available in the uniform shop at HBHS for stationery and uniform. No cash will be issued.

STUDENT LEADERS

Students chosen to fill roles of responsibility play a significant part in the success of the Hostel. They primarily ensure that all boarders meet their responsibilities and contribute to the daily routines. Student Leaders work closely with the Staff.

Prefects

Appointed Prefects take on the responsibility to develop leadership skills in a positive and supportive environment. Students, parents, staff and the school hold the position of Prefect at Argyle House in esteem.

Prefects are responsible for:

- Supporting the Masters on daily supervision and pastoral care of boarders.
- Providing a role model for other members of the Hostel Community.
- Assisting with the organisation and supervision of planned activities.
- Assist in managing Dining Room procedures and duties system.

Year 12 Dorm Leaders

1. The Year 12 Dorm Leader role is one of the most vital roles in Argyle House. Whilst residing in his Dorm, he is responsible for the general welfare of up to 30 boys. In particular, after lights out, he is the first port of call for boys who are sick and need attention from the Matron. Year 12 Dorm Leaders apply and are chosen based upon their character and integrity.
2. Dorm Leaders job description to return to their dorms after breakfast, no later than 7.55 a.m. Job is to clear their dorm by 8.00 a.m. when the call goes over and before the Assistant Master/GAP student/Matron walks through. Any boy still in his dorm at 8.00 a.m. will be issued with a demerit.
3. All Dorm Leaders rooms should be immaculate when they depart for school at 8.40 a.m. Matron to check each Dorm Leaders room before 9.00 a.m., as Masters' struggle to check off units and get to staff briefing by 8.30 a.m. If messy, same rules: Early morning check-off the following day.

The Year 12 Dorm Leader is responsible for:

- Getting the boys in his dorm out of bed and ready for morning check off.
- Ensuring the dorm is kept tidy.
- Ensuring all boys are in bed on time with lights out.
- Maintaining a quiet atmosphere in his dorm after lights out so that all boys can get a good night's sleep.
- Reporting any misbehaviour to the Duty Master.
- Providing support for his dorm members – particularly when boys are experiencing difficulties.
- Up-keep of the roll of attendance in his dorm.
- Acting as a Fire Warden

Senior Leaders may not use their authority to humiliate, harm, 'man-handle' or in any way affect the emotional well being of any boarder.

Positions of responsibility come with privileges.

Senior Leaders must be aware that responsibility comes before privilege and they are not above and beyond rules and guidelines.

All students must use their own personal (beach) towel brought from home. No Hostel white towels are to be used.

TELEPHONES

Hostel Office..... +64 7 853 0437

- **PLEASE DO NOT RING YOUR SON DURING MEALS, AT PREP TIME, OR AFTER BEDTIME, UNLESS IT IS AN EMERGENCY.**

TELEPHONES – MOBILE PHONES

All students can bring ONE mobile phone to the Hostel.

Year 9 and 10 students are permitted to use mobile phones after breakfast up to 9.05pm, and Year 11 students up to 9.45pm.

Years 12 and 13 students may keep their mobile phones overnight, provided they are not used after lights out. They may not be taken into the Dining Room (*may take it in but not use it*). If students use phones inappropriately the phone will be confiscated, and this will result in loss of the privilege. See below for consequences.

Mobile phones for Years 9 and 10 must be handed in to the lockable cabinet outside the Hostel reception desk no later than 9.05 pm each evening Sunday – Thursday (10 minutes before Year 9 lights out). This is to ensure students are off their phone, there are no distractions and they are getting ready for bed.

For Year 11 students, mobile phones are to be handed in to the lockable cabinet in the hostel foyer no later than 9.45 pm each evening Sunday - Thursday (15 minutes before lights out).

All mobile phones must be clearly marked with student identification. Parents are required to acknowledge that having a mobile phone at the Hostel is a privilege and comes with the responsibility to use it sensibly.

Breach of the conditions will result in loss of the privilege (see below).

All Years 9 and 10 students with mobile phones must be returned to the cabinet by 9.05pm Sunday - Friday evenings, and Year 11 students by 9.45pm.

The following needs to happen beforehand:

- Major Duty Master unlocks the cabinet once he gets down from the prep room, from 8.45pm.
- Boys can place their phone in after this time.
- Major Duty Master puts an announcement over the intercom reminding the boys of their 9.05pm deadline.
- Know your room and bed number in your dorm.
- **Must place your phone in the correct space by 9.05pm**

Failure to meet this simple rule:

- **First strike** = phone confiscated for 24 hours, recorded in strike folder & recorded on Orah

- **Second strike** = phone confiscated for 24 hours, recorded in strike folder & recorded on Orah
- **Third strike** = phone confiscated for 7 days, recorded in strike folder & recorded on Orah
- **Fourth plus strikes** = phone confiscated for 7 days, and thereafter & recorded on Orah

Mobile phones can be accessed in the morning from 8am, under the supervision of the Argyle Assistant Master (GAP student), as part of his duty.

Use of Mobile Phones after lights out and for handing in a second (dud) phone (over the whole year)

1st Strike : lose phone for 2 weeks + Community Service

2nd Strike : lose phone for 10 weeks + 7 day gating and Community Service

3rd Strike : lose phone for the year + 7 day gating and Community Service.

Sim cards:

If boys are caught not handing in their sim cards, it will be treated the same as not handing in a phone prior to lights out. See the 3 strikes above.

If the sim card is out of the phone for any reason, it must be handed in with the phone, and placed on top of the phone inside the locked cabinet.

Every phone must have a sim card. One sim card only per boy with the phone number to be connected to the number we have on file for our lockdown/emergency contact details for each boarder.

TRAVEL UNIFORM – NUMBER 1s

Formal travel uniform **must** be worn when a boarder signs out on weekend leave and signs in from weekend leave. This includes signing in and out during exam time and the beginning and end of each term.

Parent's co-operation is sought to maintain high standards in relation to this policy.

Boarders may not change out of uniform when travelling on public transport and changing in the car park is not permitted. It is unacceptable to get changed on your return simply to sign in.

All boarders travel in the approved travel uniform

Saturday Sport:

- If you sign out before your game you wear mufti, but you must take your travel uniform.
- If you return to the Hostel after your game, you must sign out in travel uniform.

Boys sign in, in mufti, if they return from overnight leave between 10.00 a.m. – 12.00 p.m. (Saturday morning/Sunday morning). If they return after 12.00 midday, they are to sign in, in their travel uniform.

TUTORING

Private tutoring can be arranged if required by the Dean of Boarding; this can be on an individual level or in a small group. It is paid for at an hourly rate. The Hostel acts as an agent only, in engaging tutors who will contact parents and make

payment arrangements privately. Students need to advise the tutor if they will be absent for a lesson. Tutoring on-site can only be done outside the hours of the first session of prep (not between 7-8pm).

Some tutoring from HBHS Academic Honours students and/or Argyle students may be available free of charge and is coordinated by the Dean of Boarding.

U

USE OF THE HOSTEL DURING THE SCHOOL DAY

Boarders may not enter the Hostel during the school day i.e. 8.30 am to 3.15 pm, and 2.10pm on Thursdays, apart from returning for lunch at 12.30 pm.

The exception is Year 13 students who may enter their rooms and the Senior Lounge during study periods from 2.15 pm – 3.15 pm (1.20 pm on a Thursday).

Students must not return for lunch earlier than 12.30 pm, or 12.40pm on a Thursday.

Boarders have unrestricted access to their OWN rooms and units after school and during weekends.

Years 9 and 10 boys are NOT allowed to enter a friend's room in their own dorm or any other dorm. This is to prevent personal items being "borrowed" from other boys within the dorm or Hostel without permission or their knowledge.

Boys also need the sanctuary of their own room to have a place for peace and quiet, without having to withstand a room full of boys.

The Dorm Block must be cleared of all Year 9 – 11 by 8.00 am or they will be issued with a dorm demerit by their Dorm Leader or the Master/Matron clearing the dorms.

All Domestic Wing rooms are to be locked by the Duty Master after the morning check-off, even though the Assistant Master has checked the rooms at 7.30am.

The Senior Units are checked off at 8.10am each weekday morning. Where there are Year 11s accommodated in Units 6-8, a Year 11 student must be present at 8.10am when the Duty Master arrives, to ensure someone is there to complete any final jobs that need to be completed. Failure to be present will result in the whole unit having an early morning check-off the following morning at 7.25am.

V

VEHICLES AT THE HOSTEL

Years 12 and 13 students only, wishing to have a motor vehicle at the Hostel must fill out an application form which is signed by the student and his parent(s) / caregiver(s). **Parent(s) / Caregiver(s) must ensure that at the very least third party insurance has been obtained for these vehicles.** The Director of Boarding will grant permission when he feels the student has a genuine need to

have a car on-site, a clear understanding of the rules for vehicle use and the consequences of not following the rules. There is limited parking available in the Hostel parking area and Argyle Street is used for the spill over. All current licences will be sighted and photocopied for a copy to be held in the Hostel office drawer. Students must be aware that failure to follow the conditions of their licence may result in the privilege of the vehicle at the Hostel being withdrawn. **Keys must be handed in at the Hostel office when the car is not in use for Year 12 students only.** Constant access to vehicles is not permitted for them. Failure to comply will result in one strike, as part of the 3-Strike system (see below).

Consequences for boys choosing not to follow the Vehicle policy are severe and can lead to a stand down, for both the driver and the passenger/s. Smart choices are encouraged. There is a 3-strike system for inappropriate use/parking of vehicles which may result in the student losing the privilege of having a vehicle at Argyle.
