Accessible and Inclusive Church
# Visual environment
Good for our eyes

👁 Good lighting
Reduce glare and direct sunlight especially at altar and lectern and screens.

👁 Printed material
At least 12pt dense font eg Arial.
Good colour contrast
between text and background.

👁 Data show
Making presentations clear and uncluttered.
Using dark print on a light background.
Text at least 24pt.

👁 Large print paper copies
Weekly newsletters, service sheets, hymns etc
Text on data show for people who cannot read the screen.
