Talent International Institute
TII School Holiday Programme

Talent International Institute (TII) is a pre-eminent education provider, offering learners a suite of programmes and activities with the end goal to provide both the skills and experiences that they can utilise to excel and reach either their professional or personal ambitions.

The TII holiday programmes are outcomes-focused. Offering a learner opportunities to

- **Advance their life skill base**
- **Broaden their interests**
- **Cultivate their self-confidence**
- **Develop a wider network of cohorts**

Centrally located in the iconic Christchurch landmark building at [282 Durham Street Christchurch City](#) for the ease and convenience of facility users.

TII delivers high quality and full of fun holiday programmes, which are:

- **Suitable** - for all ages from 5 years to 15 years old students ;
- **Flexible** - students may do a full two weeks' programme for a very affordable price OR may choose one week options ;
- **Offered** - at state-of-the-art Christchurch city centre premises of historical old law courts building with open spaces, spacious high-tech classrooms with breakout areas, and in-house modern gym by very experienced, skilled, and trained staff and facilitators ;
- **Full of** - learning of the study skills, team building, and doing fun activities such as painting, rock climbing; city tours to museum, art gallery and parks ;
- **Creative** - with programmes where learners have an opportunity to get understanding and learning of creative art and handcraft.
- **Portfolio based** - all students enrolled for two full weeks receive a complete portfolio showcasing their journey throughout the holiday programme.

Contact via email: info@tii.ac.nz for further information and enrolment enquiries.

Make an appointment and visit in person to have tour of the premises and get further information on the programme.
