## KAITIAKITANGA

We're proud to share that we've received a \$500 Zero Waste Grant thanks to Auckland Council and Eco Matters.

This means we can provide council-supported waste sorting zones, specific sorting bins, wash stations and sustainable packaging options for our event.

We will need the support of our community on the day and a handful of **adult volunteers** to guide gala visitors to our waste sorting zone.

If you can help with this, please let us know your availability on the volunteer form.
