

Go to this website to log into your child's Microsoft 365 account: <https://www.office.com>
Enter your child's username then @waimeaint.school.nz (example@waimeaint.school.nz) then their school password. The username is the same name they use to login at school i.e. first name then unique ID. If they don't know their username or password please email their teacher.

The account opens on a page showing available online applications. Click the 'Install Office' button to download the Microsoft Office suite onto your device. An .exe file will download to your 'downloads' folder. Follow the instructions to complete installation.

This can be done on 5 different devices. If downloading onto an iPad or tablet go to the appropriate app store to download Office Mobile.

After your child leaves the school their account will become inactive. However, Waimea College, Nayland, Nelson Boys and Nelson Girls also provide this software to students.
