**Equity in Healthcare - We would like to hear from you!!**

We have such a diverse community here in the Amuri... a wide variety of cultures and ethnicities who call the Amuri basin home.

We would like to ensure our health services are accessible, available, and relative to all the Amuri community, without unnecessary barriers.

We would love to hear from community members keen to put themselves forward to meet annually to advocate for their Iwi /cultural / ethnic / diverse / community to form an Amuri Health Equity Group along with members of our health care team.

This would be an informal discussion group, with the goal to gain better insight on potential issues in accessing health services and how we can improve these to better community wellbeing.

If this sounds like something you would be keen to consider, keen to be a part of or would like further information on please contact [nerissa@amurihc.co.nz](mailto:nerissa@amurihc.co.nz) or phone 03 315 6328
