Dear Parents and Caregivers

Re: Enrolment of your child at Elmwood Normal School

Thank you for enrolling your child at Elmwood Normal School, and getting all your enrolment documentation promptly to our Receptionist.

We hope you have a wonderful experience as a family at Elmwood, making the most of all that is on offer here for your child/children during the course of your time here.

School Zone:

Please be aware that if you move out of our school zone after your enrolment here, and you have other children in the family who are yet to start at Elmwood, there will not necessarily be a confirmed place for them at Elmwood Normal School.

We unfortunately cannot guarantee that siblings will be able to get into Elmwood when they have moved out of zone.

We wish you well for your time with us.

Kind regards

Paul Armitage
Principal
