Subject: 2018 - 2019 New Zealand Under-16 National Selection Camp

On behalf of the New Zealand Ice Hockey Federation, I'd like to congratulate all 48 of the 2019 National camp attendees. It has been a fantastic year for our youth development program and you were selected to attend our first National camp out of 140 youth players across the country. I look forward to seeing many of these names representing our Country on the world stage. Congratulations on your outstanding achievement on and off the ice. I was very impressed with the skill on display and a level we can all be very proud of.

I would like to acknowledge and thank all our hard working 49 volunteer coaches across the country that made these camps possible. Led by our NZIHF coaching coordinator Darren Blong, U16 head coach Paris Hyde and manager Neil Carey, a huge thank you to the below coaches that gave up their time to make our first national U16 camp a huge success. Together we can reach great heights.

Plans are underway for the 2019 youth development program with some exciting changes. Our focus is to deliver quality practices and structured learning with the best coaching staff New Zealand has to offer, with the goal of fun and keeping feet in skates. Flying mentor coaches not players, makes this the most cost effective, wide spread development program to date. I am happy to say this has definitely been achieved in 2018 - 19. Stay tuned for the latest updates and up and coming camp dates. Wishing you all a well-deserved late summer and I look forward in seeing you all on ice again soon.
