

### **East Taieri Netball 2020**

The 2020 Taieri Plains primary school netball competition starts on Saturday 2 May 2020. Games are played on Saturdays at the Taieri College netball courts. To ignite a lifelong involvement in Netball, a sequential programme has been developed that is at the right level for the players at each stage. This year Taieri Plains netball will consist of a junior competition (year 7-8: 7 aside), a year 5-6 future ferns (7 aside) , a year 3 & 4 future fern competition (6 aside) and a year 2 (5 aside) future ferns and a year 1 fun ferns netball skill sessions.

If you wish to find out more about the new formats of netball for years 1-6, the ANZ Future Ferns website is really good -

<http://mynetball.co.nz/futureferns/how-to-play.html>

If your child is interested in playing netball this year, please fill in the form below or email it to me before Wednesday 18 March 2020.

We are also looking for parents to coach, help manage or umpire some of the netball teams. Netball Otago run great coaching/umpiring workshops to help up skill coaches and manuals are also available.

Regards, Belinda Duff
