

Room 7

Room 7 is currently learning all about collage art. We have made a few different pieces so far. The earth was the hardest cause we had to make sure our paper layering was perfect! The good news is, only a few of us managed to get glue all over our hands in the process. Our shared book is currently The Lion the Witch and the Wardrobe. Check out our wardrobes to Narnia!

We have also had Tom Cat in Room 7 this week. He's come on a few adventures with us, and even got caught eating butter chicken!
