Flu Vaccines & Covid Vaccine Booster

Flu vaccines are available now, protect yourselves this winter. Please ring reception to arrange an appointment.

Vaccines are fully funded if:

- You are 65 years and over
- You are pregnant
- You are an adult or child who has a chronic health condition
- You are Māori and Pacific peoples aged 55 to 64 years

The Ministry of Health has now extended the **free Flu vaccine** to include children aged between 3 and 12 years old as of **1st July 2022**.

Non-funded vaccines cost **\$25** for registered adults and children.

Non-funded vaccines cost **\$36** for non-registered patients.

In addition to the current **Covid Vaccine** information the Ministry has extended the recommendation for the second booster to include:

- **all people aged over 50 years**
- **health, aged care, and disability workers aged over 30 years**

Remember, immunisation is the best way to protect our communities and Whanau from infection and serious illness. Indications show a resurgence of respiratory viruses, and vaccination against the influenza virus is highly recommended.

Thanks, the team at Amuri Health

CUTTING for a CAUSE

In Loving Memory of two very special ladies whom I had the pleasure of working with for many years

Penny & Lee

On
Thursday 7th July 2022
1.40pm

@ Amuri Area School

I will be CUTTING off over 40 cm of my hair.

Throughout my hair growing journey I have thought more and more about Penny and Lee and decided to make a bigger deal of having my hair cut.

Not just sending my hair away to help make a wig but turning it into a fundraiser.

Any support you can give in memory of these special ladies is greatly appreciated, with all funds raised going directly to Leukaemia and Blood Cancer New Zealand.

Donations will be gratefully accepted on the day!

Please donate on the link below.
