17 June 2022

The Taekwondo Union New Zealand (TUNZ) South Island Championship is an annual event where Taekwondo athletes and para-athletes are invited to participate in Kyorugi (sparring), Poomsae (self-defence and attack patterns done individually, in pairs and teams) and jumping front kick competitions. This year's event was held on 4 June 2022 at the Pioneer Stadium in Christchurch.

Fifteen Dunedin Taekwondo Associated members participated in the event and were able to win medals in different categories. We would like to acknowledge the effort and perseverance of our athletes by announcing their achievements in this event. Below are the names of the medallists and the category they participated in.
