About Hillmorton High School

Hillmorton's uniqueness for international students comes from our size, caring community, values and diversity.

We offer:

- a wide range of subjects
- extensive extra-curricular activities.
- generous, unrestricted, park-like grounds
- excellent facilities tailored to support students' learning.
- individualised programmes of learning to suit students' needs.

Hillmorton is a small school by city standards with a roll of about 800 students across seven year levels (7 - 13). We have about 30 international students. Each student receives personal attention on a regular basis; our dedicated International Department know our students well!

Our homestays are all part of our community, and are an integral part of our students' experiences. Although small in size, we are big on diversity. Our students come from over 40 ethnic backgrounds, contributing to a rich and vibrant multi-cultural experience within the day-to-day life of the school.

Hillmorton High School is a Signatory to the Education (Pastoral Care of International Students) Code of Practice 2016.
