

# Crime Prevention Through Environmental Design (CPTED)

2 Day Workshop – 29 & 30 April 2020

1st Floor Meeting Room Invercargill Public Library

Hosted by Safe in the South

## What is CPTED?

Crime Prevention Through Environmental Design (CPTED) is defined as a multi-disciplinary approach for reducing crime through urban and environmental design and the management and use of built environments. CPTED strategies aim to reduce victimization, deter offender decisions that precede criminal acts, and build a sense of community among inhabitants so they can gain territorial control of areas and reduce opportunities for crime and fear of crime. (*International CPTED Association 2019*)

## Topics Covered
