General Business:

Calf Scheme – Thank you Vicky Hamilton for all your hard work. Sale date the 8th of December. We will have between 60-70 calves donated which is similar to last year. Vicky is co-ordinating pick up with people. Thank you to Famsouce for donating the ear tags. Livestock Exchange for the sale of the calves. Amuri Transport for transporting the calves and to Culverden Sale Yards.

Discussed a 'thank you' bbq. This was asked for in the past but had a very low turn out last year. Possibly hold again at Vicky's place but people must RSVP. Or Vicky will talk with Rachel and Farmsource about combining with a bbq at the store, possibly the 15th December.

Matt's Morning tea – The first day of the term a morning tea was held to welcome Matt. It was agreed the PTA would pay the Four Square bill \$130 and the school will pay the Bidfoods account.

Disco – This was a great success! Through the canteen we raised \$579.41. Possibly charge a small entry fee next time. Planning to hold two a year. Next time ensure parents know children are expected to stay in the community room, we will set up an outside area they can go if they feel they need some fresh air.
