Dear Parents, Caregivers and Whanau,

We are delighted to inform you that Jireh Christian School will be participating in the world-renowned ICAS Assessments™ again this year.

ICAS is designed to target students' higher-order thinking and problem-solving skills in English, Mathematics, Science, Spelling Bee and Digital Technologies.

Each assessment celebrates students' accomplishments by providing opportunities for recognition and development. Every student will receive a printed certificate and an online results' report.

We encourage you to consider entering your child into ICAS this year. The assessments are suitable for students wishing to extend themselves academically and take up the personal challenge of competing in an international assessment that has been running for 40 years. Your child will be presented with high-quality, expert-developed questions, allowing them to apply their learning without the need for prior study or revision.

ICAS Assessments are now online, a move that reflects a sector-wide transition to online assessments. This allows greater accessibility for students and faster delivery of results.

2021 Participation:

Our school has signed up for the ICAS Assessments parent payment system (PPS) for English, Mathematics, Science, Spelling Bee and Digital Technologies. Through this system parents can pay for ICAS directly online while tests will still be held at our school. Please use the following details to register your child no later than Friday 23 July 2021. By entering on-line, you are giving your permission for your child to enter this competition.

Our school access code is: SGD871
