October is Breast Cancer Awareness month

Breast cancer is most treatable when it's found early. It's important to know the look and feel of your breasts and show any changes to your GP.

Here at Amuri Community Health Centre, we recommend you start regular mammograms.

You can find out more information on <https://www.breastcancerfoundation.org.nz/> or phone to speak with a practice nurse if you have any questions.

Prescriptions

There are a couple of long weekends coming up, this month and next – please remember to check you will not run out of medications and book to get your prescription organised in advance to avoid disappointment.

The clinic can get very busy and it is not always possible to get an appointment at short notice.

AFTER HOURS: Phone the Practice on 03 315 6328

Your call will be transferred to the AFTER HOURS SERVICE where you will be able to talk to a Registered Nurse who will assess your needs, offer advice, or arrange immediate assistance from the on-call doctor or rural nurse.

In an emergency, please phone 111

**Appointments 9.00am to 12.00pm
and 2.00pm to 4.30pm.**

**Phone 03 315 6328 during open
