AMURI COMMUNITY TRUST NEWS

The Amuri Community Trust continues to work for the benefit of our local community acting as an umbrella organisation assisting local organisations. One ACT hold funds for is the Community Response Committee, thanks to this hard working group and facilitator Courtney McSkimming for the many valuable activities they are providing in our community.

It is with great satisfaction that we can report the Culverden and Waiau Plunket Rooms have been returned to community ownership with the ACT now holding the titles for these properties. Our grateful thanks to all that have made this happen especially the tireless work of Renee Dampier-Crossley, Brona Youngman and Jess Davison; past Councillors Nicola Anderson and Dick Davison; and lawyer Grant Edmondson and legal executive Miriam van der Horst from Helmore Stewart Lawyers for their charitable work and guidance. We look forward to making these rooms available for community use and thank FMG insurance for providing the insurance on these buildings at no cost for the first twelve months.

We have not had any applications for the Clare Chaffey Memorial Scholarship this year but can report that last year's recipient Celine Barnes has had a most successful year and plans to continue her health studies in 2023 with Physiotherapy her preferred option.

The ACT appoint the directors to the Amuri Health Care Board on behalf of ratepayers. Our thanks to the AHC Board; Meg Macfarlane, Jane Schwass, Marie Blomfield, Ken McIntosh and James McCone; for the many hours of voluntary work they do running our Medical Centre especially in these challenging COVID times. The ACT will be assisting the AHC with finance of \$3,000 for staff training for skin lesion removal in 2023.

The ACT trustees; Don McLean, Grant Hay, Tom McIntosh, Judy Meikle, Anne Gardiner and Jane Northcote; wish you a safe and happy festive season and look forward to assisting our community again in 2023.

WEST WARD COUNCILLORS UPDATE:

We plan to take it in turns to provide a monthly update - our grateful thanks to this publication for their support in allowing us to do this.

I want to let you know about an app I use and have found very useful. I encourage you to download the Snap Send Solve app from your Play Store, enabling you to report any matters of concern in your area relating to: parks, reserves, footpaths, dog or noise complaints, abandoned vehicles, public toilets, water, sewer, storm water and roading issues (excluding State Highway 1 or 7, as our Council is not responsible for these). The app enables GPS-linked photos to be included. Your notification will be acknowledged and you will receive an update, once Officers have looked into the matter.

On behalf of all West Ward Councillors, I wish you all a very happy Christmas and all the best for 2023. Cheers Karen.
