

Cotswold is excited to be participating in the KickStart Breakfast Program

The [KickStart Breakfast](#) programme is a partnership between Sanitarium, Fonterra and the Government, with more than 140,000 nutritious breakfasts served each school week in over 1000 schools that run their own KickStart Breakfast Clubs around New Zealand.

At Cotswold we initially plan to serve a healthy breakfast of [Anchor](#) milk and [Weet-Bix](#) two mornings a week between 8.30 - 8.50am.

KickStart is a community partnership initiative helping more tamariki and rangatahi achieve their best by getting a kickstart to their day. KickStart not only helps children nutritionally but also makes a positive impact on their learning behaviours and provides children a place of belonging.

We are asking for submissions of interest at this stage to gauge the level of need in the Cotswold Learning Community before commencing the program later this Term.

If you would like your child to participate in the KickStart Breakfast Club on a Tues and/or Thursday morning between 8.30 - 8.50am.

Please fill out the permission form below and return to the class teacher by next Friday, 26th February.

We will be in touch with everyone who registered during Week 4 to let you know when and where the program will be starting.

Please register my child to attend the KickStart Breakfast Club at Cotswold School

Child's Name Room

My child will attend on Tuesdays Thursdays (please circle)
