

# 2018 INTERNATIONAL COMPETITIONS AND ASSESSMENTS (ICAS Tests)

At Clearview Primary we provide a range of opportunities for children to challenge themselves and extend their skills.

We are currently inviting children from **year 4 to year 8** to register for the optional ICAS competitions which will take place during term two and three. As this is an international competition, there is a cost for each test which needs to be sent to the office in a named envelope with your child's registration form (below).

All children receive a certificate and an individual student report indicating which questions they answered correctly, and their score compared with the rest of the students tested.

Certificates are awarded as follows

- High Distinction to the top 1% of entrants
- Distinction to the next 10% of entrants
- Credit to the next 25% of entrants
- Participation to all other participating students

If your child would like to sit these tests, please complete the registration form, ticking the final column to show which tests you wish your child to be entered into. Please ensure the form and payment are sent back to the **school office by Thursday 8th March**. Payment can also be made into our school bank account ASB 12-3147-0367927-00, quoting your Clearview account number, child's name and test name/s. Late entries cannot be accepted.

If you would like to download practice questions, this can be done at [http://www.eaa.unsw.edu.au/prepare/practice\\_questions](http://www.eaa.unsw.edu.au/prepare/practice_questions). Year 4 students use Paper A, Year 5 students Paper B, Year 6 students Paper C, Year 7 students Paper D and Year 8 students Paper E.
