Timetable: 4pm- arrive @ GHS in warm clothes with all gear required
9pm- camp ends. **Please collect your child promptly.**

We will not allow a child to leave their classroom without an adult to collect them.

Very Important-

Permission Slips & Payment

*Permission & payment must be received by **Monday June 5th**. As this is an extra-curricular activity, payment must be received for your child to participate.*

Packing List:

Please see the packing list below.

Drop Off and Pick Up:

Your child must be at school by 4pm on Monday June 26th. Children will go to their classroom for roll and await further instruction. Children will need to be picked up from Gulf Harbour School at 9pm promptly from their classroom. Please ensure the section on the permission slip with pick-up details for your child is completed. We will not allow a child to leave their classroom until an appropriate adult arrives to collect them. Should your child be in our afterschool care program, you must ensure they arrive at school on Monday June 26th with all their warm clothes in a clearly labelled bag ready to go. We will store their gear until they need it that evening.

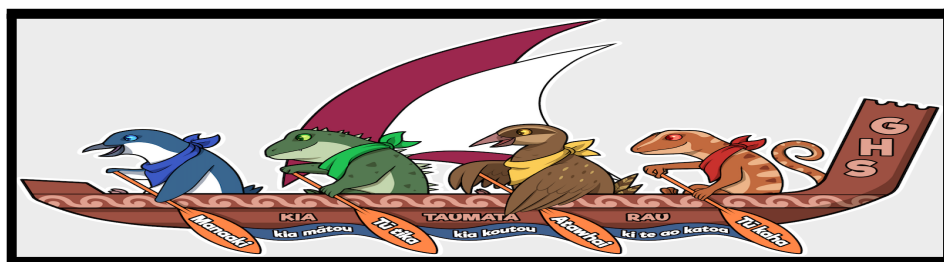

Camp Visits:

Please do not come and visit your child while they are at camp unless you are a parent helper. We have found in the past that this can unsettle not only your child but other children who do not receive a visit from their parents. There is a section on the Permission Slip to indicate If you would like to volunteer to help.

Should you require any further information please email either Fiona Southgate f.southgate@ghs.school.nz or Abigail Copley a.copley@ghs.school.nz

Thank you

The Purapura Whānau Team
