

2022 Kiwi English, Mathematics and Science Competitions

Kia ora parents, whānau and caregivers,

Once again the University of Canterbury is offering the opportunity to participate in the KIWI English, Mathematics and Science competitions. These competitions take place annually and are designed by New Zealand teachers for New Zealand students based on the New Zealand Curriculum. For further information, please consult the CAM website <https://www.canterbury.ac.nz/cam/kiwi-competitions/>

The competitions are open to all Year 5-10 students in English, Mathematics and Science. Students can enter in one or more subjects. This year the competition will provide parents with an Individual Pupil Report of a student's performance. The supervised online tests will take place in the last three weeks of Term 2 and the first week of Term 3 2022.

All participating students will receive a certificate and prizes will be awarded to top students.

NOTE: The CAM policy is not to release test papers. The tests are provided primarily as a competition and not as a teaching resource.

Entries are administered by the school. Entries must be completed and paid by **FRIDAY 6th May**.

The cost for each competition is as follows - English \$9.50. Mathematics \$9.50. Science \$9.50.

[If your child wishes to participate in these assessments then please click on this Google Form link and choose the subjects you wish to enter.](#)

Payment can be made directly to the Breens bank account.

Internet Banking - 12-3149-0328163-00. Please reference Kiwi Comp and your child's name. Or alternatively we have EFTPOS or cash can be dropped into the office in a named envelope.

ICAS exams will also be available later in the year for students who wish to participate in these. They are administered in August. More information will be out at a later date in regards to ICAS.

Ngā mihi nui,

Nathan Maclennan
