

April School Holidays - Writing and Art Camps and Workshops:

We are delighted to announce we are hosting five camps during the April school holidays. Details are given below - full details and how to book are available on the websites: [Draw like An Artist](#); [Write Like an Author](#). Students must bring their own morning tea and lunch.

Thanks to Rototuna Rotary Club who have offered their support by sponsoring 2 places on each of the 3 day workshops. This means we are able to offer 4 lucky students complimentary places on the three day workshops. These students have been selected by their Advisory Teachers for their passion around writing and art.
