Please forward articles for inclusion in the next edition to bishops.pa@calledsouth.org.nz by 9am Monday 18th February 2019. Thank you.

Thank you from St Paul's

We would like to extend our warmest thanks and gratitude to all those from throughout the Diocese of Dunedin, and beyond, who joined with us on Sunday morning to celebrate 100 years of St Paul's Cathedral.

It was wonderful to share this special moment with so many; to come together in worship and fellowship, to reflect on the past, and to be inspired as 'living stones' as we seek to advance God's kingdom together.

With blessings,

From the Clergy, Wardens and Parishioners of St Paul's Cathedral

Diocese of Dunedin

Responding to God's Call in Otago and Southland:
Faith Communities reading the Bible, praying, living out the life of Jesus Christ

Opportunities to serve your Church in our Diocese

The Diocese of Dunedin has a variety of community services (including aged care facilities) and educational facilities who are governed by different Boards of Trustees, Governors and Proprietors. Board members are appointed on a two to three year term, with many people providing wonderful support to our Diocese by serving on these over the years.

The Trusts Board (a sub-board of the Diocesan Council) regularly reviews who is on these boards, looking at vacancies and what skills are needed in each to provide effective governance. This process is carried out according to Statutes 38 and 17 as well as Statutes that relate to specific bodies such as Selwyn and St Hilda's (see [Statutes area](#)).

We are currently carrying out a stock take with all Boards to identify what vacancies are coming up in the future and are looking to advertise more widely to encourage people to look at serving Christ in this way. Attached below is the application form that must be sent to the Diocese of Dunedin Trusts Board via the Registrar: registrar@calledsouth.org.nz. Also, any person serving on a board of committee must complete the declaration from attached below. Diocese of Christchurch Full time Vicar

The Parish of Burnside-Harewood is a vibrant community of faith, made up of people who come from across the globe, who represent all generations, who have preferences for diverse styles of worship, and who are united in our mission of "making lifelong disciples of Jesus".

Having enjoyed a very stable period of evangelical ministry, along with exciting growth in the parish during the previous nine years with our outgoing vicar and family, we are keen to build on that momentum as we seek to grow God's kingdom within the parish and beyond.

We look forward to and are already praying for the person that God is calling to this ministry.

The parish is looking for someone who is spirit-filled with a strong faith; someone with a clear theology and the ability to express it in their preaching; a servant leader – a people person with a heart for all ages, and a good communicator.

A parish profile and an expression of interest form are available by emailing the Executive Assistant at the Diocese of Christchurch: bishopsea@anglicanlife.org.nz or by phoning 03 348 6701.

Applications, which must include a CV, a response to the profile of not more than four pages, and a statement about your faith and personal approach to ministry, **are requested by 28th February 2019** and are to be sent to bishopsea@anglicanlife.org.nz

Selwyn College Consultation Panel Update

The first meeting of the Selwyn Consultation Panel is due to take place on Thursday 28th February.

The panel is made of the following people: The Most Rev'd Sir David Moxon (Chair), Mrs Laraine Sharr, The Very Dr. Rev'd Graham Redding, Dr. Lex McMillan, Rev'd Dr Anne van Gend. Support is being provided by Andrew Metcalfe

(Diocesan Registrar) and Nicola Wong (the Bishop's Executive Assistant).

The first meeting will include finalising a terms of reference for the group and working on how the group want to carry out the consultation process. A further 9 meetings have been planned up to the end of November 2019.

Please hold this group and the consultation process in your prayers.

We have asked the Panel to provide some brief biographies to introduce themselves as they begin their work:

Most Rev'd Sir David Moxon (Chair)

Before training to become a priest, in 1970, David Moxon served a one-year term as a youth worker with Volunteer Service Abroad in Fiji, and then worked as a tutor in the Education Department at Massey University during 1974-75. In 1978 he was appointed a deacon curate at Havelock North, and in 1979 he was ordained as a priest in the Diocese of Waiapu and had a variety of posts until 1987 where he was appointed Director of Theological Education by Extension for the Anglican Church in Aotearoa New Zealand and Polynesia, a position he held until 1993. On 13 August 1993, he was consecrated a diocesan bishop in Hamilton, New Zealand. In 2006, he was appointed as the archbishop of the New Zealand dioceses and in 2008, a primate of the Anglican Church in Aotearoa, New Zealand and the Pacific.

David Moxon was the Anglican chair of the third phase of the Anglican-Roman Catholic International Commission (ARCIC III) from 2011 until 2018. In this capacity he also served as a Governor on the Board of the Anglican Centre in Rome until 2013, when he became its director, and then resumed the board of governors position from 2017 to 2018.

In retirement Moxon has been made patron of the Faith Community Nurses Association, a Pihopa Awahina (honorary assistant) Bishop of the Maori Bishopric area of Te Manawa o te Wheke, a member of the Proprietor's board of Taranaki Diocesan School for Girls Stratford, a member of the Board of Trustees of St Paul's Collegiate School Hamilton, a Board of Governor's fellow of College House Christchurch and a Waikato area Chaplain in the Order of St John. He rejoined the Ngati Haua Mahi Trust in November 2018.

Mrs Laraine Sharr spent her family and school years in Invercargill, completing an Arts degree at Otago University and teacher training in Christchurch at the Ilam Secondary Teachers Training College. Laraine spent 4 years traveling and working in the UK and Canada with her husband Peter before returning to Christchurch to raise their family. For many years, Laraine worked in the education sector in Christchurch as a secondary school teacher of English and German language and later as a secondary school administrator both in New Zealand and Australia. She has spent a significant portion of that time working within the independent secondary school sector in both countries, at St Andrew's College in Christchurch and at St Catherine's School in Melbourne. More recently, Laraine has worked within the tertiary sector as Principal of an independent tertiary residential college at the University of Canterbury – College House. Laraine has also been involved as a member of two Boards of Governors - at University College at the University of Melbourne and more recently, at Christ's College in Christchurch. She also has a strong interest in practical volunteering; especially supporting young people to give back to their communities in this way.

The Very Dr. Rev'd Graham Redding comes to the panel as current Master of Knox College since 2015; Warden of Selwyn College (1989-91); Principal of the Knox Centre for Ministry and Leadership (2007-14); Moderator of the Presbyterian Church of Aotearoa New Zealand (2008-9); Married (to Jenni) with 3 adult children.

Dr. Lex McMillan is a counselling practitioner and a lecturer in the School of Social Practice at Laidlaw College. He draws together theological and psychological insight into assisting people to develop character and relational resilience. He brings to the panel experience in shaping communities with regard to shared story, and a belief in the role that specifically shaped communities have in forming wellbeing and character.

The Rev'd Dr Anne van Gend comes to the panel with an undergraduate degree in music, and postgraduate in education and theology, including a cross-disciplinary PhD (theology and literature). She was ordained 23 years ago, and has worked as a secondary teacher and priest cross-culturally in Zambia, South Africa and the Northern Territory of Australia prior to returning to New Zealand in 2013. Her main interest in this panel comes from five years of working for Anglican Schools across the Province through the Anglican Schools' Office, where the varied relationships between these disparate bodies and the Church is a matter of ongoing negotiation and theological reflection.

Local women's groups have been learning about Slovenia in preparation for the [World Day of Prayer](#), which will be held on Friday, 1 March throughout the country.

This year's [worship resources](#) have been written by women in Slovenia, one of the smallest countries in Europe. At the core of the service is an invitation to join in community, "Come –Everything is Ready". The focal point is a table set with food to share. Readers will tell stories from women on the edge of Slovenian society: refugees, migrant workers, mothers, and Roma.

The World Day of Prayer is a global movement of Christian women who come together to celebrate in prayer and action on the first Friday in March. Begun in the US and Canada in the nineteenth century, it became a global movement in 1927. The movement brings together women of many ages and ethnicities for prayer and action. National committees take turns at preparing the resources, building understanding and concern for women in many

places.

Anglican Diocese of Dunedin Licensed Lay Ministers

Licensing Matters for Diocesan Lay Ministers: Important Notice to all Faith Communities

Lay ministers should note that all Licences presently issued by the Bishop will expire on **9th June 2019**, therefore those faith communities which wish to have lay ministers licensed will need to begin preparations for relicensing **immediately**.

All individual parish and team Licences will require this renewal at Pentecost 2019.

Please consider your needs for lay ministry and approach people prayerfully – those you consider will meet your communities' needs. Those wishing to be relicensed need to have attended a Boundary Workshop within the last three years as this is an essential prerequisite to licensing. The Diocesan Ministry Educator, Michael Godfrey will be offering

a series of Boundaries Workshops before June 2019, more information to follow about these.

You will need to

1. Obtain the approval of the faith community for the names which are being put forward
 2. Complete the relevant forms of nomination, Declarations and application for licensing
(Please see the attached information sheet for full details)
- ***NB All applicants are required to sign a Police Vetting Service Request and Consent and the Declarations***

The appropriate forms are attached to this article, or can be obtained from Nicola Wong at the Diocesan Office.

Please can each Faith Community collate and send all their Lay Minister applications and necessary forms in one group to:

Nicola Wong, EA to Bishop Steven Benford, PO Box 13170, Green Island, Dunedin 9052

by **April 1 2019**.

The deadline for the receipt of applications by the Bishop's EA is 1 April 2019.

This is to allow time for the police check to be completed before Pentecost.

NOTE:

Application for Emeritus Licences for those who have served in licensed ministry for a number of years may be made to the Bishop – Statute 36 Clause 14.

If you have any queries about this process please contact Nicola Wong at the Diocesan office on 03 488 0826 or bishops.pa@calledsouth.org.nz

Thank you.

How do I use Zoom?

If you have a **computer, laptop or other device (mobile telephone, tablet)** that has a camera and speakers, you can join in a meeting with others. **NB:** it is best to be connected to the internet in some way, or you may put a significant dent in your mobile data plan!

Firstly, get a free Zoom account. This will allow you to join a meeting easily if someone sends you a link to it. You can do this free at <https://zoom.us/signup>.

Have a look at the bottom of the sign up page, there are links in the **Downloads** menu for apps you can install. If you are on a PC or laptop, download the [Meetings client](#). You will see also links to [Android](#) and [iPhone/iPad](#) apps (you can search for them in your app store, just put Zoom into the search box).

How do I join a meeting?

- Click on the link sent to you for the meeting. We use the same link for all meetings as follows: <https://zoom.us/j/6434880821>
- **Landline phone or mobile phone:** you can call using voice only (not video), dial one of the following numbers. **09 801 1188** or **04 831 8959**. You will be prompted to give a meeting ID number which is **643 488 0821 #**
- **Please note** this may incur a charge if your landline or mobile plan does not give you toll calls for free
- **Overseas?** <https://zoom.us/u/djSnw6Dh> gives options for you to call a "local" number in the country you are in - use the same meeting ID number as above.

Anything to keep an eye on?

Make sure you look at what is on the Zoom screen - is your microphone working and your camera turned on? There are controls there where you can fix any problems on the bottom part of the screen. Zoom has some [tutorials](#) that you may find helpful.

Want to set up a meeting for yourself?

If you are signed up for Zoom you can organise a one-to-one meeting with any other person also signed up to Zoom - all for free.

If you want to organise a meeting with more people connecting, contact Andrew Metcalfe for assistance: registrar@callsouth.org.nz, telephone 03 488-0821

- Interviews have taken place with applicants for the **Diocesan Child Youth and Family Educator** position, we are negotiating with a preferred candidate.

- **The Selwyn Consultation Panel** is having its first meeting on 28th February. More information about this is in a [separate article](#) in Diocesan News.
- The Bishop has been working with **St Mathews Parish**, a new Vestry has been constituted and other arrangements are being worked on. Work is ongoing with the **Cathedral** towards the appointment of a new Dean. Rev'd Dr Michael Godfrey has been working with the Cathedral on this, as well as spending time with St John's Parish in Invercargill.
- Work continues on the **new website**, please bear with us as the old one continues to present difficulties as we are not able to update contact information.
- **The Social Transformation committee** is working on advertising other opportunities for grant applications (see [separate article](#)). The Diocesan Council has approved the paperwork for this.
- The Council spent considerable time discussing what needs to happen with **proceeds from any property sales**. There has been a lack of clarity about to what extent Motion 5 from Synod 2016 still applies (i.e. about sales proceeds being placed into the Mission Fund). This also relates to the need for a clearer Diocesan strategic property plan, which the Council is starting to work on. The following motion was passed by Diocesan Council:

Preamble:

Given that Motion No. 5: Mission Fund from the 2016 Synod has not been referred to the Standing Committee (Diocesan Council) as a Resolution to be maintained in force under Statute No 31, the Diocesan Council is not bound by the principles of the Mission Fund resolution. In light of this, the Diocesan Council agrees:

Motion 6.1.1: That the proceeds of recent and future Diocesan property sales are treated as follows:

1. The proceeds are invested in the DDTB Income Fund on behalf of the ministry unit (Parish, Regional Deanery, Local Church or other Diocesan Institution) concerned.
2. The DDTB Fund investment sits on the balance sheet of the said ministry unit.
3. The interest from the fund on that investment is available to the same said ministry unit.
4. Capital from the fund may be made available to the ministry unit only for particular projects as approved by Diocesan Council.
5. The Diocesan Office will make payments from the fund towards these projects on production of suitable invoices which have been approved by the wardens or other authorised officers of the ministry unit.

Motion 6.2.2 That Statute 3 Fourth Schedule clause 10.2 be referred to Synod for amendment to stipulate that any report from property commissioners should include estimates of any costs involved in proposals, and an amendment of 10.2.1 to include how the proposal aligns with the future ministry vision of the ministry unit (Parish, Regional Deanery, Local Church or other Diocesan Institution) concerned.

- The Diocesan Council is planning a **retreat** on 30th March 2019. Please continue to hold them in your prayers as they seek to look towards the future of our life together.
- Revd Canon Michael Wallace, Fred McElrea and Rev'd Jo Fielding are forming a small **Diocese of Dunedin 150th Anniversary Working group** with power to co-opt other members as required, reporting back to the Diocesan Council from time to time.

A reminder of who is on the Council:

The Rt Rev'd Steven Benford, Rev'd Joanna Fielding, Rev'd Canon Michael Wallace, Rev'd Andrea McDougall, Rev'd Dr Max Whitaker, Mrs Anne Gover, Ms Lisa Burton, Mr Fred McElrea, Mrs Trish Franklin, Ms Lynda Turner-Heaton.

In Attendance each meeting:

Mr Andrew Metcalfe (Diocesan Registrar – minutes), Rev'd Dr Michael Godfrey (Diocesan Ministry Educator), (Currently being appointed - Diocesan Child, Youth, Family Educator)

Retreat at Vaughan Park Anglican Retreat Centre, Long Bay, Auckland Celtic Spirituality – Ancient Wisdom for Today's World

The ancient Celtic Christian spiritual tradition is deeply significant for our times, offering insights and spiritual practices that remind us of the unity of our origins,

nourish our deepest longings for serenity, peace and oneness and nurture our respect and

care for the whole of creation.

We are glimpsing the imaginative stirrings of a Celtic consciousness, a contemporary spirituality that is organic, grassroots and countercultural. There is a yearning for new ways to belong and live in the world, to discover wisdom, beauty and love, and a sense of the sacred and of thankfulness restored.

On this retreat...

Walk alongside some of the greatest Celtic mystics, visionaries and saints;

Discern the wisdom that shaped their lives and journeys and can shape ours;
Hear the music and songs, poetry, stories and blessings that moved them to dream and write, travel and share prayer, pilgrimage and hospitality;

Discover the places where they found meaning, comfort and peace and heard the heartbeat of God;

Warm your spirit, feed your soul, deepen your insight. Be gifted with peace, beauty and love to mind your life and the lives of others.

Facilitated by the Rev. Dr. Hilary Oxford Smith and Celtic harpist, Julie Saraswati.
