

Kia Ora Parents, Whanau and Caregivers

My name is Maddie Evans (Miss Evans) and I am going to be in Te Ngahere for the next 7 weeks. I am a training teaching at New Zealand Graduate School of Education and am in my third term.

A little bit about myself: I have recently graduated from Lincoln University with a Bachelor's degree in Commerce and Marketing. However, COVID threw a spanner in the works and I was taken on a path towards teaching and I have loved every moment so far.

I love to spend time out on the lakes in summer and in winter time you will find me up snow skiing. I am passionate about participating in sports and giving everything a go with a positive attitude.

I am looking forward to teaching your child to meet their educational goals and work towards building a positive relationship.

I would love to meet you to introduce myself further and to discuss any needs or interests you have for your child's learning for the next 7 weeks. Additionally, If you have any questions or concerns please do not hesitate to contact me. My email is maddie.evans@nzgse.ac.nz
