

# **Rakinui Pānui Term 4 2020**

Kia ora koutou katoa,  
Brace yourselves for Term 4 and a whirlwind finish to the year. We have already had three major events - Aupaki Speech Finals, Aupaki Rocks and Cantamaths. Well done to those people who participated in those activities. During the holidays we had glass doors placed between the learning spaces which helps us manage the noise levels at different times of the day.

## **Ngā Uara / Values - Encompassed in all our learning**

<b>Manaakitanga Respect</b>	<b>Ngākau aroha Empathy</b>	<b>Manawanui Perseverance</b>
<b>Inquiry</b>	<p><b>The Economic World</b></p> <p>Our Inquiry this term is based around the Economic World. We have been integrating our maths and literacy exploring financial literacy and economic principles. Our Big Questions are: ‘What makes a fair trade?’ ‘Does money make the world go round?’ Our findings will be incorporated into our School Market Day to be held on Friday, November 27th.</p>	
<b>2021 Calendars</b>	<p>The children have completed their artwork for the 2021 calendars, diaries, cards. The artwork will be made available for you to see and order forms will be available in the first two weeks of term. They make ideal gifts for friends, family, and whānau, and are especially good for posting overseas.</p>	
<b>Sport</b>	<p>This term we will focusing on Athletics. Practices have begun in our learning spaces. School Athletics Day is Friday 30th of October at the Lyttelton Rec ground. Our focus for the second half of the term will be invasion games, focusing on teamwork and strategies. Students have already registered their interest to participate in Tough Kids, a muddy, obstacle course fun run.</p>	

<b>Health</b>	<p><b>In Term 4 all students must wear brimmed sun-hats.</b> It is a good idea to have one that is kept at school.</p> <p>We will learn about Navigating the Journey - Sexuality education as part of our health unit this term. We will also look at Cybersafety, with John Parsons speaking to us in week 8.</p>
