

Wildflower Seed Fundraising

Spring is coming and it's a great time to grow some Wildflower seeds. We're selling these for \$5 each to fundraise for the beehive at our school. The great thing is, it's completely zero waste from the seed supplier to the packets, it supports our school, our beehive, the bees and the planet, and there is no unhealthy chocolate!

The Nectar Injector Wildflower Seed Blend 25gms \$5.00

All planting, flower information and larger amounts available on www.beeawesome.co.nz.

Orders to be done and paid on www.mykindo.co.nz by latest 26 October 2023
