

READING EGGS

Tuesday 19th February 2019

Dear Parents / Caregivers,

For the last 2 years, families have been given the opportunity / option to purchase a Reading Eggs / Reading Eggspress licence and the uptake has been excellent with a large number of families opting to purchase a licence(s).

Reading Eggs is an on-line programme with games and activities that promote positive reading behaviours. It is an award-winning programme based on **solid scientific research**, it focuses around the **five essential keys to reading success** – phonics, phonemic awareness, vocabulary, comprehension and fluency. The program is designed by expert educators with over 30 years of experience.

As a school we are already involved with 3P Learning through Mathletics. The standard cost for parents to purchase Reading Eggs through the website is \$90 for a one-year licence, however, if purchased through school the cost for the licence that runs from now until February 2020 is just \$25.00.

Having this licence also gives your child access to 'The Library' which has in excess of 2000 books so it's an awesome resource for extra reading at home.

This is entirely optional for parents. If you are keen to purchase a licence for your child(ren) please complete the form below, and send in to school with the money attached, or alternatively you may elect to pay by Kindo. If paying by Kindo, the fee will be allocated to your Kindo account on receipt of this form. Note: on-line payment is required before the licence is purchased.

Any questions, please don't hesitate to contact me – rose@tauriko.school.nz

Kind regards,

Lisa Rose
Deputy Principal

Suzanne Billington
Principal

I would like to purchase a licence for the web-based programme – Reading Eggs, for my child(ren):

_____ Room _____
