

## Year 11 – 13 Tutorials & Workshops 2021

### “Well prepared students achieve better results”

We would like to encourage students to make the most of the opportunities that staff are generously making available by attending these tutorials and workshops. We will be adding to this list in subsequent newsletters.

Thanks

#### Art

Many students doing Art at senior levels have a lot to do before the end of the year if they are to complete the folio's that are required for their external submissions. Consequently, it is important that each student takes responsibility and do independent work after school and throughout the holidays. To aid the students in the production of the best possible work that they are capable of, the Art Department is running workshops throughout parts of the second week of the holidays. The time and dates for these workshops are as follows:

**Note: The Art Department teachers are available most days after school.**

Monday 11<sup>th</sup> October Ms Helps

Tuesday 12<sup>th</sup> October Mr Pickles/Miss Helps

Wednesday 13<sup>th</sup> October Mr Pickles

The art rooms will be open from 10am – 1 pm each day provided students are prepared to turn up. If no one has arrived by 12am the teachers will close the art rooms for the day.
