ABOUT THE SPLASH ATTACK

Easyswim's Splash Attack League is a fun, non-contact water polo program which involves learning and developing game sense and skills. Splash Attack is a junior version of water polo specifically designed for primary school age kids.

Sessions will be run year round in our indoor heated school pools where everyone can touch the bottom. Splash Attack will get your child active and more confident in water while having fun, making new friends and learning to be part of a team.

Passing and catching skills will be developed which are foundation skills for many ball sports.
